briefly traces the history of the region describes points of interest and recommends hotels and restaurants

the political complexion of the old czechoslovakia has changed much since the first edition of this guide in 1992 and these changes are reflected in this revised and updated edition the author tours through castles and spa towns as well as old villages farther afield and he covers all aspects of this fascinating country including the glories of its art and architecture but also its music literature and cinema

this is the second of three books by jeffrey simon on emerging post communist countries to recently join nato as with the previous volume hungary this book represents a tremendous amount of first hand research grounded in primary source material and personal interviews with key civil and military leaders visit our website for sample chapters

publisher description

grundlegenden prinzipien hinter den industriepolitiken beider staaten und spürt spezifische hindernisse auf die die strukturelle anpassung in den industrien der tschechei und der slowakei behindern

though they shared a state for most of the twentieth century when the czechs and slovaks split in 1993 they founded their new states on different definitions of sovereignty the czech constitution employs a civic model founding the state in the name of the citizens of the czech republic while the slovak constitution uses the more exclusive ethnic model and speaks in the voice of the slovak nation defining the sovereign community asks two central questions first why did the two states define sovereignty so differently second what impact have these choices had on individual and minority rights and participation in the two states nadya nedelsky examines how the czechs and slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time these enduring perspectives on nationhood shaped how the two states defined sovereignty after the velvet revolution which in turn strongly affected the status of the hungarian minority in slovakia and the roma minority in the czech republic neither state has secured civic equality but the nature of the discrimination against minorities differs using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does nedelsky s conclusions challenge much analysis of the region which tends to explain ethnic politics by focusing on postcommunist factors especially the role of opportunistic political leaders defining the sovereign community instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty looking ahead nedelsky offers crucial evidence that nationalism may remain strong in slovakia and the czech republic even in the face of democratization and eu integration and is an important threat to both

insight guides the world s largest visual travel guide series in association with discovery channel the world s premier source of nonfiction entertainment provides more insight than ever from the most popular resort cities to the most exotic villages insight guides capture the unique character of each culture with an insider s perspective inside every insight guide you ll find evocative full colour photography on every page cross referenced full colour maps throughout a brief introduction including a historical timeline lively essays by local writers on the culture history and people expert evaluations on the sights really worth seeing special features spotlighting particular topics of interest a comprehensive travel tips section with listings of the best restaurants hotels and attractions as well as practical information on getting around and advice for travel with children

this book provides comprehensive and up to date information about the czech and slovak republics with reviews of the best restaurants and pubs accommodation and entertainment plus information on the history and culture of the two nations

col ill and col maps on inside covers

this clear objective introduction to the politics of czechoslovakia and the successor

czech and slovak republics provides a comprehensive analysis of czechoslovakia in the postcommunist period carol leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation she shows how the interaction of these three transformational agendas has shaped czechoslovakia s development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve the book offers a valuable case study of a country coming back to europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar european state the book s strong comparative element will make it invaluable as well for those seeking to understand contemporary central and eastern europe

explores the interplay of historical institutional legacies short term elite interests and international pressures in the process of democratic consolidation in the czech republic and slovakia

seminar paper from the year 2017 in the subject economics case scenarios grade 1 3 university of applied sciences berlin course the economics of european integration language english abstract an analysis of how and to which extent the slovak republic can deal with membership within an incomplete monetary union this paper discusses the developments in the slovak republic in the context of its membership within a so called incomplete monetary union a construct as laid out by de grauwe in the book the economics of monetary union this paper relies on publicly accessible data and to a lesser degree expert literature for many comparisons the author draws comparisons with the czech republic due to its similar size geographic location and economic position with the key difference being the czech republic s sovereign currency and the resulting means of independent monetary policy additional metrics are also compared to the results of the entire eurozone and to the largest eurozone economies of germany and france the goal of this paper is to determine to what degree the slovak republic benefits from membership within an incomplete monetary union and what steps can or have been taken in order to mitigate the risks of membership

slovakia has implemented a range of thorough energy reforms over a short period of time with impressive results as a medium sized new eu member state it plays a

strategic role in european natural gas supply with limited domestic energy resources slovakia relies on imports for almost 80 of its net primary energy supply mainly from russia between 1990 and 2003 as a result of structural reforms and energy price increases total primary energy supply decreased by 14 and energy and carbon intensities fell by 30 and 43 respectively the energy reforms have now entered a crucial stage simultaneously consolidating achievements integrating eu energy markets and strengthening energy security this publication looks at the reforms made so far and offers recommendations to face the challenges ahead

the essays in the book compare the czech republic and slovakia since the breakup of czechoslovakia in 1993 the papers deal with the causes of the divorce and discuss the political economic and social developments in the new countries this is the only english language volume that presents the synoptic findings of leading czech slovak and north american scholars in the field the authors include two former prime ministers of the czech republic and slovakia eight leading scholars four czechs and four slovaks and eight knowledgeable commentators from north america the most significant new insight is that in spite of predictions by various pundits in the western world that czechia would flourish after the breakup and slovakia would languish the opposite has happened while the czech republic did well in its early years it is now languishing while slovakia which had a rough start is now doing very well anyone interested in the history of the czech and slovak republics over the last twenty years will find gratification in reading this book

this survey of czech and slovak history traces the development of two neighboring peoples through the creation of a common czechoslovakian state in 1918 to the founding of the independent czech and slovak republics in 1993 and beyond the history of the czech republic and slovakia charts historical developments in the two nations to the opening decade of the 21st century the book begins with an overview of the geography climate people economy and government of both the czech and slovak republics subsequent chapters offer a chronologically organized survey of historical events trends ideas and people starting with the early slavic settlements around the 5th century ad the book explores czech and slovak history through the middle ages the renaissance and early modern eras the enlightenment and the age of nationalism and revolution chapters on the 20th century include discussion of the world wars the interwar czechoslovak state the communist decades the prague spring and the velvet revolution of 1989 the story is brought up to date with insights into developments in the independent czech and slovak republics since 1993

croatia is one of the most popular short haul destinations for europeans and a trendy travel hot spot smart itineraries section helps readers tailor their trips

examines the political events people history architecture and places of interest includes color maps hotel information and restaurants
