reconstructs the life and career of photographer ansel adams drawing on the letters and words of adams his family friends and colleagues and featuring a selection of his famous photographs

looking at ansel adams is a personal and penetrating study that explores ansel s life as an artist by looking closely at the stories behind 20 of his most significant images immediately recognizable photographs like moonrise hernandez new mexico and mount mckinley and wonder lake are turned on their axes and seen from a new angle along with ancillary photographs alternative versions and letters and postcards that relate to these beloved icons less familiar but equally important photographs provide unexpected insight into ansel s creative and personal life for anyone with a love of the american wilderness and an interest in the life and work of the country s most revered landscape photographer and environmental advocate looking at ansel adams is an essential and deeply satisfying book

ansel adams is best known for a series of photographs he produced of america s natural heritage known collectively as the national park service photographs representative examples of which are reproduced here this assignment was especially commissioned in 1941 by harold ickes of the united states department of the interior and the aim was to record for posterity areas that had been designated national parks as well as portraying the native american homelands and other monuments and areas of reclamation of the great american wilderness these would also be used as photo murals to decorate the walls of the department of the interior ickes was already familiar with ansel s work having seen detailed studies of leaves and ferns which featured in an exhibition of 1936 indeed he liked them so much that he hung one in his own office he eventually made ansel s acquaintance when the photographer came to lobby congress seeking to have kings river canyon california designated a national park originally only painted murals by established artists were thought suitable for inclusion in the mural project as it came to be known as photography had yet to be considered worthy of being regarded as an art form rather than a way of recording or documenting reality but ickes was convinced that ansel s work was artistically valid and would make its own inimitable contribution to the scheme the

collection of works commissioned in 1941 was intermixed with earlier studies of the kings canyon area dating back to 1936 and these and the new prints were offered as part of the commission the photographs are a pictorial testament to the majesty of the american west captured with technicalaccuracy and imbued with sheer inventiveness and a deep empathy for the regions which ansel sought to protect and maintain intact they range from rivers and canyons close ups of plant life native american villages and their inhabitants the mysterious and enigmatic underworld of the carlsbad caverns and the geysers and twisted forms of yellowstone national park together they offer a visual feast and a source of delight and nourishment for the spirit

spaulding provides a full biography and a critical analysis of the work of the man who introduced the general public to photography as art

discover this evocative celebration of the life career friendships concerns and vision of ansel adams america s greatest photographer new york times no lover of ansel adams photographs can afford to miss this book wallace stegner in this bestselling autobiography completed shortly before his death in 1984 ansel adams looks back at his legendary six decade career as a conservationist teacher musician and above all photographer illustrated with eight pages of adams gorgeous black and white photographs this book brings readers behind the images into the stories and circumstances of their creation written with characteristic warmth vigor and wit this fascinating account brings to life the infectious enthusiasms fervent battles and bountiful friendships of a truly american original a warm discursive and salty document new yorker

twenty four of adams greatest photographs selected from the ansel adams at 100 book and centennial exhibition are featured in this latest addition to the ansel adams postcard folio book series 24 duotones

with over 120 photographs by ansel adams and his contemporaries this book examines the photographers whose work affected ansel adams life and career and also offers a portfolio of adams photographs for the national park service

despite his significance little scholarly attention has been paid to adams s contributions as an artist or his place in photographic history this handsome book addresses this gap by looking beyond his reputation as a sierra club environmentalist and examining in depth his life as an artist and the complexities of his creative vision 80 illustrations

ansel adams 400 photographs presents the full spectrum of adams work in a single volume for the first time offering the largest available compilation from his legendary photographic career beautifully produced and presented in an attractive landscape trim ansel adams 400 photographs will appeal to a general gift book audience as well as adams legions of dedicated fans and students the photographs are arranged chronologically into five major periods from his first photographs made in yosemite and the high sierra in 1916 to his work in the national parks in the 1940s up to his last important photographs from the 1960s an introduction and brief essays on selected images provide information aboutadams life document the evolution of his technique and give voice to his artistic vision few artists of any era can claim to have produced four hundred images of lasting beauty and significance it is a testament to adams vision and lifetime of hard work that a book of this scale can be compiled ansel adams 400 photographs is a must have for anyone who appreciates photography and the allure of the natural world

first published in 1996 mary street alinder s biography of ansel adams remains the only full biography of one of the greatest american photographers alinder is a respected scholar and also had a close connection to adams serving as his chief assistant in the last five years of his life the portrait she creates of him is intimate and affectionate it is also clear eyed she takes on his

difficult childhood in san francisco the friendships and rivalries within his circle of photographers his leadership in america s environmental movement his marriage his affairs and his not always successful fatherhood enriched by her uniquely personal understanding of adams the man she explains the artistic philosophy that paired with his peerless technique produced an inimitable style her biography is likely to remain unrivaled this new edition will bring the classic up to date and includes research that reveals new information and a deeper understanding of his greatest photographs it will also include thirty two pages of reproductions of adams s work and snapshots of the artist and close friends

the invitation to photograph the nation s parklands was the perfect assignment for adams as it allowed him to express his deepest convictions as artist conservationist and citizen

a collection of fifty three of ansel adams best north american wilderness photos are featured in this years engagement calendar the horizontal design includes weekly spreads providing ample space for appointments as well as miniature reference calendars of the preceding present and following months the ansel adams engagement calendar is a practical yet elegant must have for any adams fan
