this multi volume reset collection will address a significant shortfall in scholarly work offering contemporary reviews of the work of romantic women writers to a wider audience

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original

artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
