in keeping with the Pillar New Testament Commentary's distinctive character this volume by James R. Edwards on Luke gives special attention to the third gospel's vocabulary and historical setting its narrative purpose and unique themes and its theological significance for the church and believers today though Luke is often thought to have a primarily Gentile focus Edwards counterbalances that perspective by citing numerous evidences of Luke's overarching interest in depicting Jesus as the fulfillment of God's providential work in the

history of israel and he even considers the possibility that luke himself was a jew in several excursions edwards discusses particular topics including luke s infancy narratives the mission of jesus as the way of salvation and luke s depiction of the universal scope of the gospel while fully conversant with all the latest scholarship edwards writes in a lively fluent style that will commend this commentary to ministers students scholars and many other serious bible readers

discover the jewish religion through their prayers and the part these play in worship

given the recent interest in the emotions presupposed in early religious literature it has been thought useful to examine in this volume how the jews and early christians expressed their feelings within the prayers recorded in some of their literature specialists in their fields from academic institutions around the world have analysed important texts relating to this overall theme and to what is revealed with regard to such diverse topics as relations with god

exegesis education prophecy linguistic expression feminism happiness grief cult suicide non jews hellenism qumran and jerusalem the texts discussed are in greek hebrew and aramaic and are important for a scientific understanding of how rabbinic judaism and early christianity developed their approaches to worship to the construction of their theology and to the feelings that lay behind their religious ideas and practices the articles contribute significantly to an historical understanding of how jews maintained their earlier traditions but also came to terms with the ideology of the dominant hellenistic culture that surrounded them

via a participant observer approach synagogue life analyzes the three essential dimensions of synagogue life the houses of prayer study and assembly in each heilman documents the rich detail of the synagogue experience while articulating the social and cultural drama inherent in them he illustrates how people come to the synagogue not only for spiritual purposes but also to find out where and how they fit into life in the neighborhood in which they share in his new introduction heilman discusses what led him to write this book and the process of personal transformation through which he as an orthodox jew had to go in order to turn a disciplined eye on the world from which he came rather than using the stranger as native approach of classic anthropology he had instead to begin as a native who discovered how to look at a once taken for granted synagogue life like a stranger in the afterward arguing for the efficacy of this approach heilman offers guidance on how natives can use their special familiarity and still be trained to distance themselves from their own group making use of the disciplines of sociology and anthropology synagogue life offers a fascinating portrait that has something to say to social scientists as well as all those curious about what happens in the main arena of orthodox jewish community life

a scholarly but readable guide to the history of jewish prayer from biblical times to the modern period

customs mysticism hebrew and yiddish literature and jewish feminism
