un libro sobre el estado de enamoramiento que parece justificar todas las cosas

mejor libro del año 2011 según babelia cada mañana maría dolz contempla en una cafetería a una pareja a la que no conoce de nada cuya felicidad intuye y acaso envidia este ritual la ayuda a empezar la jornada hasta que un día se entera de la muerte del hombre a manos de un enajenado más tarde una relación imprevista quizá imprudente acerca a maría a los pormenores del suceso el embriagador estado de enamoramiento y las acciones que desencadena positivas o viles generosas o egoístas la impunidad la presencia casi permanente de los muertos en nuestras vidas la memoria la imposibilidad de conocer cabalmente la verdad son algunos de los temas por los que discurre firme y sinuosa una de las mejores novelas de su autor

publicada en 1992 saludada de inmediato como una obra excepcional y traducida a multitud de idiomas corazón tan blanco certifica la madurez narrativa de javier marías y lo convierte en el autor español de mayor proyección internacional en esta historia de secretos y confesiones matrimonios y crímenes cobra forma perfecta el universo de temas y obsesiones el sentido de cada acto y las posibilidades truncadas por cada decisión la duda los vínculos entre amor y muerte las palabras que se dicen y las que quedan por decir que la narrativa de marías ha seguido desarrollando en los años posteriores elide pittarello máxima experta en la obra del autor ha elaborado un estudio introductorio en que desgrana las ricas claves interpretativas que permiten calificar a esta novela de obra maestra y aporta en las notas al pie aquellas aclaraciones esenciales para un cómodo seguimiento del texto

the infatuations is a metaphysical murder mystery and a stunningly original literary achievement by javier marías the internationally acclaimed author of a heart so white and your face tomorrow every day maría dolz stops for breakfast at the same café and every day she enjoys watching a handsome couple who follow the same routine then one day they aren't there and she feels obscurely bereft it is only later when she comes across a newspaper photograph of the man lying stabbed in the street his shirt half off that she discovers who the couple are some time afterwards when the woman returns to the café with her children who are then collected by a different man and maria approaches her to offer her condolences an entanglement begins which sheds new light on this apparently random pointless death with the infatuations javier marías brilliantly reimagines the murder novel as a metaphysical enquiry addressing existential questions of life death love and morality the infatuations is an extraordinary immersive book about the terrible force of events and their consequences i am greatly impressed by the quality of marías's writing he uses language like an anatomist uses the scalpel to cut away the layers of the flesh in order to lay bare the innermost secrets of that strangest of species the human being w g sebald years ago i said that marías
