an utterly revelatory work unprecedented in scope detail and ambition

a fully complete promise land community is similar in nature to a highly advanced garden of eden meets

the conflict between israel and the palestinians has profoundly affected the middle east for almost seventy years and shows no sign of ending with two peoples claiming the same piece of land for different reasons it remains a huge political and humanitarian problem can it ever be resolved if so how these are the basic questions addressed in a new and substantially revised fifth edition of this highly acclaimed book having lived and worked in the middle east at various times since 1968 colin chapman explains the roots of the problem and outlines the arguments of the main parties involved he also explores the theme of land in the old and new testaments discussing legitimate and illegitimate ways of using the bible in relation to the conflict this new and fully updated edition covers developments since 9 11 including the building of the security wall the increased importance of hamas and the islamic dimension of the conflict and the attacks on lebanon and gaza

today the land of promise is a spark in the tinder dry atmosphere of middle eastern affairs events there continue to wield influence among peoples and in places well beyond the region itself this raises for christians the acute theological problem of how to relate to the land of promise today and in light of the land of the bible our hope is that this volume of essays will contribute to a more informed and theologically coherent response to the land of promise it is offered here in the name of peace for all peoples in that place and among those who continue to look to her as a place of promise
