originally published in 1960 is there an art of autobiography what are its origins and how has it come to acquire the form we know today for what does the autobiographer seek and why should it be so popular this study suggests some of the answers to these questions it takes the view that autobiography is one of the dominant and characteristic forms of literary self expression and deserves examination for its own sake this book outlines a definition of the form and traces its historical origins and development analyses its truth and talks about what sort of self knowledge it investigates

the philosopher of truth jill lemore the new yorker shows why truth is an essential democratic value and how it can be strengthened do any of us really care about truth when it comes to politics should we in a world of big lies denialism and conspiracy theories democracies are experiencing two interlocked crises a loss of confidence in democracy itself and the growing sense among many that politics is only about power not truth in this book michael patrick lynch argues that truth not only can but must matter in politics he shows why truth is an essential democratic value a value we need to sustain our democratic way of life and how it can be strengthened despite evidence that people are rarely motivated by truth when it comes to politics on truth in politics argues that this isn't inevitable accessibly written and rigorously argued it draws on the american pragmatist tradition to develop an original theory of the nature and value of truth in the messy world of politics contrary to the belief of many political beliefs can be true or false but if democracy is to continue to be a space of reason and not just an arena of power we must build a better infrastructure of knowledge including stronger schools and media and renew our commitment to science and history a vital and timely book on truth in politics makes an original case for why democracy cannot survive without truth

the twenty first century has seen violence thunder back onto the stage of history religious political social cultural and economic constituents and interests thus contribute to the local and global manifestations of violence in our interconnected and contracting global world firmly embedded within the field of religion the authors of this volume concede that religious motifs and impulses are alive and well in this unfolding of bloodshed it is no wonder then that in our volatile historical age religious fundamentalism and illiberal nationalism have emerged as dominant contemporary movements against this backdrop the contributors to this edited book look back in order to move forward by reflecting upon the truth force satyagraha that grounded and guided mohandas karamchand gandhi 1869 1948 on the heels of several commemorations in 2019 of the 150th anniversary of gandhi's birth we reexamine the truths of his philosophy and nonviolent strategy to resist religious and political fundamentalisms embracing truth was for gandhi the only way to achieve complete freedom poorna swaraj the goal of freedom which gandhi conceptualized as profoundly personal expansively communitarian and organically ecological emanates from a firm grasp of truth

argues for a humanistic cultural reformation to counter our materialistic values and science dominated intellectual life and shows how this would affect our lives and transform our society a society fit for human beings contends that there is a profound incoherence in the foundations of modern western civilization and that we are on a self destructive course with the quest for wealth and power our dominant concern we find ourselves with a flourishing economy and a supreme military force based on science and technology but with our moral civic and religious culture undermined by our way of comprehending the world our human identity is problematic the wells of meaning that nourish the human spirit are polluted or drying up and the social order is in disarray this situation e m adams argues requires nothing less than a historic cultural revolution based on a shift in priorities from wealth and power to humanistic values those grounded in selfhood and lived experience that are essential for human growth meaningful lives and a healthy society such a shift in our governing values would require a restructuring of our intellectual vision of humankind and the world in terms of humanistic categories this book shows the import of such a

humanistic cultural revolution for our human identity morality the social order and our major institutions including the family and community education the economy the government the military and religion it outlines how we can work toward such a cultural revolution and develop a constructive postmodern civilization with a society fit for human beings
