despite an often unfair reputation as being less popular less successful
or less refined than their bona fide broadway counterparts off broadway
musicals deserve their share of critical acclaim and study a number of
shows originally staged off broadway have gone on to their own
successful broadway runs from the ever popular a chorus line and rent to
more off beat productions like avenue q and little shop of horrors and
while it remains to be seen if other popular off broadway shows like
stomp blue man group and altar boyz will make it to the larger broadway
theaters their off broadway runs have been enormously successful in
their own right this book discusses more than 1 800 off broadway off off
broadway showcase and workshop musical productions it includes detailed
descriptions of off broadway musicals that closed in previews or in
rehearsal selected musicals that opened in brooklyn and in new jersey
and american operas that opened in new york along with general overviews
of off broadway institutions such as the light opera of manhattan the
typical entry includes the name of the host theater or theaters the
opening date and number of performances the production s cast and
creative team a list of songs a brief plot synopsis and general comments
and reviews from the new york critics besides the individual entries the
book also includes a preface a bibliography and 21 appendices including
a discography filmography a list of published scripts and lists of
musicals categorized by topic and composer

this impressive volume presents an historical review of the evolution of
economic thought bruni offers a significant contribution for a new
season of studies on happiness and sociality in economics
