the iconic and legendary junkers ju 52 first flew in 1930 designed and built by the junkers aircraft company of dessau germany the ju 52 was originally intended as a single engine cargo aircraft an upgraded model the ju 52 3m was powered by three engines and excelled as an eighteen seat airliner by the late 1930s hundreds of the safe reliable and much loved ju 52 3ms were serving with airlines in more than twenty countries including the pre war british airways also it was used as a bomber by the luftwaffe particularly in the spanish civil war during the second world war the ju 52 3m was the mainstay of luftwaffe transport squadrons affectionately known as faithful old annie and ron annie the ju 52 3m was used during the invasions of norway the low countries crete and the resupply of stalingrad and rommels africa korps in all around 5 000 were built and after the war production continued in france and spain amazingly captured ju 52 3ms were rebuilt post war and briefly operated as airliners on domestic routes in great britain

as with the other recent books in this series this classic study of the ju 52 will offer the most comprehensive account published in recent years of this bulwark of the luftwaffe which first saw military service in the 1930s and was then engaged in operations from the spanish civil war through to the end of world war 2 the all metal three engined ju 52 3m enjoyed a solid reputation amongst its crews and the troops and paratroops who used it and depended on it it is a machine synonymous with the images of the german attacks on holland and france in 1940 and crete in 1941 when hundreds of tante jus were used to drop paratroopers to successfully to capture key tactical and strategic areas the full history however goes back much further built as a passenger aircraft for deutsche lufthansa the ju 52 ranged as far as south africa mozambique india and latin america as well being operated by several other european countries such as belgium sweden and finland as well as airlines in brazil equador peru and uruguay britain operated several ju 52s the aircraft was first blooded in the spanish civil war where it was pressed into service as a crude but effective bomber with the legion condor from then on the luftwaffe deployed it on every battle front in the west in the mediterranean and in the east an example also

flew in iraq the ju 52 served as a stalwart transport often operating in the most hostile conditions with ice or dust lifting men animals food supplies ammunition mail and spare parts vital for german military operations such as on the north african supply routes at demyansk stalingrad and also in the ardennes in 1944 it was also converted into the ambulance and mine hunting roles and was adapted as a seaplane after the war the ju 52 flew on as late as the 1980s testimony to its strength and reliability

the main aspect of this publication is the development and utilization of the junkers ju 52 starting with the single engined ju 52 1m nowarra links to the development of the three engine version and civil utilization first large parts of the book are dedicated to the military applications of the ju 52 starting in the spanish civil war leading to the travelling aircrafts of major nazi leaders and finally the major missions of ju 52s in ww ii like the netherlands creta stalingrad north africa norway etc also mentioned are the french built ju 52 which were named aac 1 toucan as well as the spanish built casa 352 finally nowarra also mentioned the existing ju 52 of today like the lufthansa d aqui or the swiss ju52 or juair

the ju 52 was an essential part of the luftwaffe and it proved itself a versatile and reliable aircraft in almost six years of conflict the ju 52 first saw service as a civil airliner in the 1930s but on the outbreak of war in 1939 it found a demanding role as the luftwaffe s primary transport aircraft deployed in the transportation of supplies and personnel and on occasion flying paratroopers to their target destination or evacuating wounded from isolated pockets in 1942 for example ju 52s were heavily involved in dropping supplies to trapped wehrmacht personnel in stalingrad and later in attempts to fly out wounded soldiers this important contribution to the luftwaffe at war series highlights the contribution made by the ju 52 and covers all the major types and variants of this rugged aircraft morten jessen includes rare and unpublished photographs taken on nearly every front of the war and ably demonstrates why the ju 52 was viewed with such affection by luftwaffe personnel

the famous tante ju in its legendary transport role over a variety of war fronts

om udviklingen af ju 52 fra at have en enkelt motor til 3 motorer herunder udviklingen af civile varianter samt maritime varianter af flytypen hæftet indeholder side med bemaling af de enkelte varianter som alle har typebetegnelsen ju 52 efterfulgt af yderligere en betegnelse som identificerer antallet af motorer som en betegnelse som identificerer flyets rolle transportfly bombefly passagerfly og amfibiefly etc

the ju 52 is presented in its early bomber and later its famous transport roles covered are its use on a variety of war fronts and in detailed up close photos and line drawings

the all metal junkers ju 52 3m enjoyed a solid indeed revered reputation amongst its crews and the troops and paratroopers who used and depended on it for more than ten years it saw service as a successful military transport with its distinctive three engined design and corrugated metal construction becoming instantly recognisable it was a mainstay in the luftwaffe's inventory first seeing service in the 1930s in bombing and transport operations in the spanish civil war and subsequently during the german invasion of poland it then served on every front on which the luftwaffe was deployed until may 1945 the junkers served as a stalwart transport confronting both freezing temperatures and ice and heat and dust lifting men animals food and supplies vital for german military operations this the first of two books on the ju 52 3m details its service as a bomber in spain and in south america followed by its pivotal role in early war operations during the invasions of poland and france the airborne invasion of crete and the early stages of operation barbarossa

description junkers ju 52 aircraft just brought a new radial engine to the north african front german translation the ju 52 is indispensable also on the african front 17 a combat aircraft needs a new motor the replacement is furnished the fastest way

description junkers ju 52 aircraftâ tms shadow over the desert german translation ju 52 â the bridge to africa 8 the only escort in the desert â its own shadow somewhere in north africa
