how does an author best get book reviews what of interviews blogs and social media how can a new author expect to be seen while crowding the lane with other authors of his her genre marketing your book on a budget is tiny for a reason any author can afford it but be prepared for the endless information enclosed you ll never wonder again about the best ways to speak up about your book get free advertising or learn why postcards can help you get the word out faster and easier than any other way it s easy to say you re going to market your book far more difficult to actually do it but this handy guide will help you every step of the way even while your heart is pumping wildly the first time you have to speak about your book to someone else every year in december i go through the book check the links and update it for changes in marketing trends so that you will have the latest ideas on marketing your book on a tight budget

authors will benefit hugely from this practical book by seeing how effective they can be at helping to promote their own books alison baverstock encourages authors to work with publishers but also explains how to go it alone for authors who plan to self publish the book covers how marketing works what opportunities there are how authors can help how to get noticed how to get local publicity organise a launch event and keep the momentum going after

publication the book also provides authors with a real insight into the publishing process and contains illuminating interviews with everyone concerned editors marketing people and most importantly authors

finished your book but don't know where to start with the marketing the answer is here you start with this book in funny you should ask how to market a book amazon bestselling author lori culwell provides a start to finish blueprint for getting your book out there in a big way you'll discover what goes into an ideal author platform how to optimize your book's metadata to show up in the amazon algorithm and all the steps of a perfect book launch in funny you should ask how to market a book you'll learn how to get your head on straight when it comes to marketing your work what to put on your website what to put on your social media how to claim your work on book sites what to look for in a competitive analysis why it's so important to be super specific about your genre subgenre how to research keywords and categories how to get reviews how to get people onto your email list newsletter and what to say to them once they're on there what promo stacks are and how to make them work for you what amazon's honeymoon period is and what it has to do with your book

book marketing strategies how to promote and sell your book successfully proven techniques for self published and traditional authors every author dreams of seeing their book in the hands of eager readers but in today's crowded market simply writing a great book isn't enough it needs to be strategically marketed to stand out whether you're a self published writer navigating the digital landscape or a traditionally published author seeking to maximize your reach this guide provides the ultimate blueprint for success inside this book you'll discover understanding the book market identifying your target audience building an author brand crafting a winning book launch plan the power of social media

marketing email marketing for authors leveraging book reviews and testimonials packed with actionable strategies insider insights and proven marketing techniques this book will equip you with the knowledge to promote your book effectively and generate consistent sales don't let your book fade into obscurity take control of your marketing journey scroll up and grab your copy today

here you are you've done it you've finished your book maybe you have some final touches left but the hard part is over and you've completed your masterpiece all those days spent researching and writing and fitting everything together perfectly are behind you but your book isn't really selling like you hoped it would why why aren't people rushing to read your carefully crafted world or your precise report on that important matter well my fellow writer it once struck me just as it will inevitably at some point strike you so we might as well just get it out of the way i hate to be the one to tell you but nobody really gives a damn about you you're a new author nobody's ever heard of they skim past your great book cover in a mere instant simply because they don't know your name they ignore your catchy book title simply because they don't trust their money with you you're an unknown therefore you're a risky choice yes even for the price of a damn cup of coffee they'll cruise past your long hours of work without any kind of afterthought i know it's the brutal reality of indie authors but it's the reality nonetheless big authors sell their books using their names signed authors sell their books using their publisher's name but the rest of us self-publishing authors are left to fend for ourselves i too once thought that writing a good book is the hard part now i know better now i know that selling my work is actually the hardest part by far but don't give up not yet not when you can learn from my mistakes and occasional successes not when you're so close so here goes everything i've tried everything i've done and everything i've learned over the years about marketing your book

are you excited that you finished your manuscript are you ready to publish your book are you ready to watch your book fly off the book shelves think again without an effort to market your book no one will know it exists and the ugly truth is that marketing is your job not your publisher s job once you finish your book the work just begins whether a traditional publishing house publishes your book or you publish your own book all authors are equal once a book is in the marketplace unless of course you are the president of the united states if you think marketing sounds difficult like a job for a publicist think again in the secrets to successfully marketing your book you will learn how to use social media and traditional methods to reach potential buyers as a published author with the american management association susan page learned the hard way how to build awareness for her product two years after her first book was published it continues to sell well along with an engaging and user friendly approach to marketing the secrets to successfully marketing your book presents a plan that outlines the monthly tasks you have to accomplish starting six months prior to publication and continuing until after publication you could buy a book on social networking another book on building a web site and another book on developing a marketing plan but the secrets to successfully marketing your book blends all these topics together in one organized marketing plan susan page outlines what you have to do to keep your book selling and she writes it in the same pragmatic approach as she took with the power of business process improvement she goes right to the information authors want and shares the secrets by explaining the how and not just the what you have to do so save your money on a publicist you have the power to market your book your success depends on you

authors will benefit hugely from this practical book by seeing how effective they can be at helping to promote their own books alison baverstock encourages authors to work with publishers and agents but also explains how to go it

alone for authors who plan to self publish the book covers how marketing works what opportunities there are how authors can help how to get noticed how to get local publicity organise a launch event and keep the momentum going after publication the book also provides authors with a real insight into the publishing process and contains illuminating interviews with everyone concerned editors marketing people and most importantly authors

writing a book whether fiction or non fiction can be a very challenging task to accomplish and requires courage patience and determination after writing your book your work is not done as you still need to promote and sell your book

are you terrified of marketing your book do you have it ready to go or already published but you feel stuck because you don't know what to do next book marketing can feel like you're never doing enough it can seem impossible how do you know if you're focusing on the right marketing tactics how do you know which strategy will work for you what if you're missing something we're here to help bethany atazadeh and mandi lynn have each successfully marketed multiple novels and want to help you discover the best marketing tactics for you starting with the book itself your book is your most powerful marketing tool in these pages we'll walk through the ten fundamental aspects of your book that can make or break sales and help you get them right we'll discuss genre covers titles blurbs formatting editors taglines keywords categories how to develop a marketing mindset and how to choose the right marketing strategies for you this book is packed with information to help you succeed get your copy now from indie authors bethany atazadeh and mandi lynn please enjoy the first book in this new series marketing for authors what early reader are saying this debut into the non fiction world is an encouraging and interactive guide to marketing your novel chock full of personal

experiences and resources to help you get the most out of the book how your book sells itself is a must read for writers struggling with what to do after they ve written the end jessi elliott this book is packed with useful information having just released my book i was looking for new ideas on marketing and mandy and bethany gave some great insight and tips i will be implementing what i read straight away i look forward to the rest of the series natalie roberts this book is so helpful for those who don t know anything about marketing like myself it helped me a lot v timi i love how clearly the book is laid out it could easily be a reference book during your launches relaunching or whatever your marketing needs are the action steps are simple but what people doesn t like simple as a homeschooling mom i need simple marketing tips and tricks to get the word out if you need help with marketing give this book a read peggy spencer you can tell that bethany atazadeh and mandi lynn pictured the aspiring author who wants his or her book to be a success and the published author who can t figure out why his or her book isn t selling as much as they d like not only do they give precious advice but they share mistakes they made themselves as new authors mistakes that we readers will be able to avoid also the writing style was conversational which made it so easy to follow and understand the different aspects of marketing covered at the end of the book are some resources on different topics covered in the chapters like the black blurb and taglines if you are struggling to market your book or if you are yet to publish it i totally recommend this book elira barnes this book is so informative bethany and mandi not only give you great pointers they present examples from their own marketing experience i love that because it helps me connect with them as a reader and aspiring author the book flows really well from chapter to chapter laura pu
