in all languages humans frequently use linguistic combinations called phraseological units pus in communicative acts these pus are characterized by their institutionalized fixation and in many cases by their opacity traditionally the work on phraseology has placed the emphasis on the total fixing of components and structures of verbal expressions variation in pus is currently an uncontested fact and has been extensively studied and analyzed in addition in the case of languages like spanish english french spoken in many countries new creations or diatopic variants arise while these diatopic expressions have been collected or analyzed in their territory of influence no comprehensive collection showing all the expressions and contrastive analysis to observe the similarities and differences between these diatopic creations with all their idiosyncratic and cultural references have been made so far the content of this volume deals with numerous linguistic lexicographic and translational problems in the context of language variation in general as well as specifically related to diatopic variation the aim is to make progress in these challenging and highly interesting areas which still pose many comprehension and translation problems

the country's future depends on what a conscious and organized society does or fail to do the mexican enigma is an informative analysis of the situation of political social and economic crisis that mexico is going through from the review

of three key areas the political elites mainly figures like enrique peña nieto whom the author studies in a bibliographical manner as well as reviews his actions since he was governor of estado de mexico the de facto powers that have been developed in the country and its implications in mexican political and social credibility the last axis is organized society which from the perception of aguayo has always been excluded from mexican politics the author also discusses the state of political culture within society and the level of disapproval of this before the present form of the government of mexico the author makes a strong documentary research that reaches to an almost didactic text bringing the reader to a real and well informed approach of what is happening in mexico the book in digital format allows interaction with documents videos and photographs that complement the reading while encouraging political reflection from its readers
