a 2001 survey of the changing policies and priorities that are evident in a range of contemporary cultural institutions in australia

australia is one of the most ethnically diverse societies in the world today from its ancient indigenous origins to british colonisation followed by waves of european then international migration in the twentieth century the island continent is home to people from all over the globe each new wave of settlers has had a profound impact on australian society and culture the australian people documents the dramatic history of australian settlement and describes the rich ethnic and cultural inheritance of the nation through the contributions of its people it is one of the largest reference works of its kind with approximately 250 expert contributors and almost one million words illustrated in colour and black and white the book is both a comprehensive encyclopedia and a survey of the controversial debates about citizenship and multiculturalism now that australia has attained the centenary of its federation

cultural studies has emerged as a major force in the analysis of cultural systems and their relation to social power rather than being interested in television or architecture or pinball machines themselves as industrial or aesthetic structures cultural studies tends to be interested in the way such apparatuses work as points of concentration of social meaning as media literally according to john frow and meaghan morris here two of australia s leading cultural critics bring together work that represents a distinctive national tradition moving between high theory and detailed readings of localized cultural practices ethnographic audience research cultural policy studies popular consumption bad aboriginal art landscape in feature films style form and history in tv miniseries and the intersections of tourism with history

and memory these are among the topics addressed in a landmark volume that cuts across myriad traditional disciplines

focusing on particular historical blind spots by telling stories of individuals and groups that did not fit the favoured identity mould the essays in migrant nation work within the gap between australian image and experience and offer fresh insights into the other side of identity construction the volume casts light on the hidden face of australian identity and remembers the experiences of a wide variety of people who have generally been excluded neglected or simply forgotten in the long running quest to tell a unified story of australian culture and identity drawing upon memories letters interviews and documentary fragments as well as rich archives the authors have in common a commitment to give life to neglected histories and thus to include in an expanding and open ended national narrative people who were cast as strangers in the place that was their home

g day boss is the first study of its kind into the enormously diverse cultures of today s australian workplaces it is designed especially to help workers employers exporters and all those who in other ways deal with australian business to understand adapt and succeed in a huge melting pot of personalities and beliefs barbara west and frances murphy two well travelled academics of the working world talked to hundreds of migrants now based in australia from around the globe listening to their stories and delving deep into their attitudes perceptions hearts and minds to find out how they adapted and coped in their new country and specifically in their new workplaces west and murphy analysed these interviews as well as numerous research studies into australian culture values behaviour and communication to unearth invaluable insights and priceless advice for any worker or business in the country back cover

general introduction to the culture and customs of australia society covers the land people and history thought and religion marriage gender and children holidays and leisure activities cuisine and fashion literature the media and cinema the performing arts painting and architecture

article by j h bell separately annotated

this book is the most systematic and substantial study of australian cultural tastes preferences and activities ever published taking its inspiration from pierre bourdieu s work this book examines the relationships between the patterns of participation in the different fields of cultural practice in australia and analyses trends of consumption and choice that australians make in their everyday lives the book contains detailed examinations of people s cultural choices through a large scale survey and interviews it also examines the influence of american culture on australian choices and the way work cultures and cultures of friendship affect how australians choose to spend their leisure time

australia s leisure culture is legendary and as millions of british viewers of neighbours fans of yothu yindi or drinkers of castlemaine xxxx would attest australian popular culture is popular outside of australia australian popular culture is an exciting collection of essays bringing together new perspectives on the nature and meaning of a nation s changing life the collection also explores the idea of popular culture at large leading authors represent a range of approaches backgrounds and fields to explore subjects of wide interest within the categories of the everyday the mass media and critical theory chapters are devoted to the aussie back yard vegemite postage stamps australian rules football the introduction of television crocodile dundee the lindy chamberlain affair spycatcher domesticity leisure and love and postmodernism and australian culture

australian cultural history is a 1988 text which opens up new ways of looking at australian

society culture and history the diverse and distinguished authors range across religion literature history popular ideas painting ballet patronage and education the approach to culture throughout is inclusive and pluralist each essay extends the reader s understanding of what makes Australian culture in a lively and provocative manner these questions have relevance to all interested in 19th and 20th century social development

Australia: A Cultural History first published in 1988 is still the only short history of Australia from a cultural perspective it has acquired a unique reputation as an introduction to the development of Australian society and was listed by the historian and public intellectual John Hirst in his first xi the best Australian history books the book focuses on the transmission of values beliefs and customs amongst the diverse mix of peoples who are today s Australians the story begins with the 60 000 years of the Aboriginal presence and their continuing material and spiritual relationship with the land and takes readers through the turbulent years of British colonisation and the emergence through prosperity war and depression of the cultural accommodations which have been distinctively Australian this 3rd edition concludes with a critical review of the challenges facing contemporary Australia and warns that we may get the future we deserve some images unavailable for OA

In addition to explaining Australia to newcomers and visitors in the hope of bridging culture gaps and improving the chances of mutual empathy and friendship it is the author s wish that Australians will through this book see themselves through outsiders eyes

This collection of fifteen essays presents a comprehensive discussion of the main aspects of Australian intellectual life and social and political inquiry in this century the contributors focus on such areas as the place of the intellectual in contemporary Australian life and society the historical role of the intellectual the significance of particular groups including feminists Catholics conservatives and liberals and intellectual traditions in such disciplines as science and literature
