madame bovary is a novel by gustave flaubert often considered his masterpiece the novel focuses on a doctor s wife emma bovary who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life though the basic plot is rather simple even archetypal the novel s true art lies in its details and hidden patterns it now stands virtually unchallenged not only as a seminal work of realism but as one of the most influential novels ever written the work was attacked for obscenity by public prosecutors when it was first published in 1856 but the author was acquitted in 1857 a 2007 poll of contemporary authors cited madame bovary as one of the two greatest novels ever written
