revival is bringing something that is dead back to life much of today's church needs reviving when God comes in an unusual way releasing His presence and power over and above what a church normally experiences we call it a visitation of God every visitation of God should become a habitation of God and become a move of God going beyond that local church into the community city and nation the move of God results in evangelization missions and the fulfilling of the great commission starting in the book of Acts and down through the centuries there have been numerous visitations and moves of God we look at church history understanding history helps us correctly interpret the present and prepare for the future we draw inspiration insight and lessons from what God has done in the past by reviewing stories and asking relevant questions what can we learn from church history about revivals visitations and moves of God what does it take for a visitation of God to become a move of God what are signs of a genuine visitation of God how do we steward a revival a visitation and a move of God the latter rain falls just before harvest therefore be patient brethren until the coming of the Lord see how the farmer waits for the precious fruit of the earth waiting patiently for it until it receives the early and latter rain you also be patient establish your hearts for the coming of the Lord is at hand James 5:7-8 in biblical context the early rains were showers that usually came during October November and prepared the ground for the seed the latter rain fell during March April and was necessary for the ripening of the crops before harvest if we believe God is preparing for a mighty endtime outpouring a great visitation and ingathering of harvest before His return then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit watch our online Sunday church service live stream every Sunday at 10:30am Indian time GMT+5:30 spirit filled anointed worship word and ministry for healing miracles and deliverance [youtube](https://www.youtube.com/channel/UCqW0jG8vYk0jG8vYk0jG8vYk) [youtube.com](https://www.youtube.com/channel/UCqW0jG8vYk0jG8vYk0jG8vYk) allpeopleschurchbangalore.org website apcwo.org live our other websites and free resources church apcwo.org free sermons apcwo.org/sermons free books apcwo.org/books daily devotionals apcwo.org/resources/daily-devotional Jesus Christ examining jesus.com bible college apcbiblecollege.org e-learning apcbiblecollege.org/elearn counseling chrysalislife.org music apcmusic.org ministers fellowship pamfi.org church app apcwo.org/app churches apcwo.org ministries churches this book may be freely used by individuals small groups churches and ministries for non commercial purposes these are not to be sold and must be distributed freely

first published in 1975 south Wales miners starts with the war of empires when nearly 50 000 Welsh miners almost one fifth of the total manpower of their coalfield responded to the call and voluntarily enlisted in the British armed forces the author uncovers how the coalowners in the meantime took advantage of the war emergency to deny the remaining miners a fair recompense for their toil and of the bitter strife that followed the book tells the story of what led up to the general strike and here the author uses hitherto hidden sources of information the picture is revealed of what was a virtual conspiracy between the Baldwin Churchill government and the mineowners not only to cut wages and lengthen hours but to cripple British trade unionism when the miners held out through a seven month lockout the efforts of these highly placed conspirators recoiled on their own heads and on the whole economy of British empire this book will be of

interest to students of history labour studies economics and political science

new labour was not conjured up out of thin air it only looks like that because of the party s amnesia concerning its intellectual development this book provides extracts from fifteen thinkers located within the revisionist tradition as an antidote to that amnesia it is an all star cast from labour s history from tawney jay and gaitskell to gordon brown the collection shows that revisionism is not a body of doctrine but a cast of mind that distinguishes between core values ends and policy instruments means revisionist thinkers do not shrink from abandoning any policy that fails to deliver the desired ends in the contentious debates about the future of public services the blair government is determined to avoid the confusion of means and ends these essays show this determination to be deep rooted in labour thinking and to be focused on the commitment to equality
