many people dream of traveling to the stars selected for the nasa astronaut corps dr mae c jemison made that journey and became the first african american woman in space yet jamison s incredible accomplishments do not begin and end there this book details her history and life as a scientist doctor astronaut teacher dancer activist and entrepreneur who continues to be an inspiration today

in an age of unprecedented corporate and political control over life inside of educational institutions this book provides a needed intervention to investigate how the economic and political elite use traditional artifacts in k 16 schools to perpetuate their interests at the expense of minoritized social groups the contributors provide a comprehensive examination of how textbooks the most dominant cultural force in which corporations and political leaders impact the schooling curricula shape students thoughts and behavior perpetuate power in dominant

groups and trivialize social groups who are oppressed on the structural axes of race class gender sexuality and disability several contributors also generate critical insight in how power shapes the production of textbooks and evaluate whether textbooks still perpetuate dominant western narratives that normalize and privilege patriotism militarism consumerism white supremacy heterosexism rugged individualism technology and a positivistic conception of the world finally the book highlights several textbooks that challenge readers to rethink their stereotypical views of the other to reflect upon the constitutive forces causing oppression in schools and in the wider society and to reflect upon how to challenge corporate and political dominance over knowledge production

it is important to the survival of a people their culture to have an accurate complete account of their history for way too long in united states history african americans have been subjected to whitewashing segmented telling of their history until now we the black people untold truths of black american history changes this we begin at 1441 tell as comprehensive a story about the plight of africans in the new world united states through the present we cover well known little known topics as well as analyze the role of white supremacy in the struggle for african americans throughout the history of the united states despite the challenges there were many successes in the black experience we the black people is a book long overdue to expose the american citizenry to an aspect of its history long overlooked
