how does the taliban wage war how has its war changed over time firstly the movement s extraordinary military operation relies on

financial backing this volume analyses such funding the taliban s external sources of support include foreign governments and non state groups both of which have affected the taliban s military campaigns and internal politics secondly this is the first full length study of the taliban to acknowledge and discuss in detail the movement s polycentric character here not only the quetta shura but also the haqqani network and the taliban s other centers of power are afforded the attention they deserve the taliban at war is based on extensive field research including hundreds of interviews with taliban members at all levels of the organization community elders in taliban controlled areas and other sources it covers the taliban insurgency from its first manifestations in 2002 up to the end of 2015 the five month battle of kunduz epitomized the ongoing transition of the taliban from an insurgent group to a more conventional military force intent on fighting a protracted civil war in this latest book renowned afghanistan expert antonio giustozzi rounds off his twenty years of studying the taliban with an authoritative study detailing the evolution of its formidable military machine

the united nations convention on the rights of persons with disabilities is the only un treaty to date in which the people who are its target that is disabled people were actively involved in its drafting and the only one which requires the active participation of disabled people in its implementation this does not of course automatically guarantee the direct participation of all disabled people this is especially so for children with disabilities whose status as legal minors may inhibit them from participating in decisions affecting their lives this book focuses on the participation rights of the disabled child with regard to health education homelife and relationships highlighting ways in which these rights are safeguarded and promoted throughout the eu as well as exploring the factors that put these rights at risk finally this groundbreaking text analyses whether disabled children s needs for assistance in order to realise their participation rights results in fewer opportunities to participate or in an increase in support in order for them to be able to do so

since the 1970s the ethnographic museum at the university of zurich has held culturally significant collections of heinrich harrer 1912 2006 and peter aufschnaiter 1899 1973 between 1945 until 1951 both lived in tibet aufschnaiter then worked in nepal whereas harrer undertook numerous expeditions in the 1960s he traveled to asia south america and oceania in the artifacts brought back craft skills as well as social organizational structures and world views from the local communities are represented they also reflect the viewpoints of the travelers themselves for this publication all of the zurich collections have been researched for the first time starting with the object moments of encountering and social change as well as historical and cultural developments can be retraced and the seemingly obvious is thus pieced together into an extended map or knowledgescape accompanies an exhibition at the ethnographic museum at the university of zurich ch from 1 july 2018 8 september 2019
