contemporary conversations on immigration in the united states the view from prince george s county maryland contextualizes the narratives of international migrants arriving to prince george s county maryland from 1968 to 2009 the life course trajectories of seventy individuals and their networks organized chronologically to include life in the country of origin the journey and settlement in the county frame migration as social issue rather than social problem having internalized the american dream immigrants toil to achieve upward social mobility while constructing an immigrant space that nurtures well being this book demonstrates that an immigrant s experience is grounded in personal social economic and political spheres of

influence and reflects the complexity of migrants stories to help demystify homogenous categorization

this book investigates whether a power shift has taken place in the asia pacific region since the end of the cold war by systematically examining the development of power dynamics in asia pacific it challenges the notion that a wealthier and militarily more powerful china is automatically turning the regional tides in its favour with a special emphasis on sino us competition the book explores the alleged linkage between the regional distribution of relevant material and immaterial capabilities national power and the much cited regional power shift the book presents a novel concept for measuring power in international relations by outlining a composite index on aggregated power ciap that includes 55 variables for 44 regional countries and covers a period of twenty years moreover it develops a middle power theory that outlines the significance of middle powers in times of major power shifts by addressing political military and economic cooperation via a structured focused comparison and by applying a comparative historical analysis the book analyses in depth the bilateral relations of six regional middle powers to washington and beijing

research paper postgraduate from the year 2015 in the subject health public health grade 1 northeastern university of boston language english abstract data breaches in u s healthcare have become ubiquitous with modern hackers honing in on healthcare data due to its lucrative economic value cyber crooks regard medical identity theft as the triple crown of stolen data as it is worth more than a social security number or credit card number in the internet black market the black market rate for each partial ehr is 50 as compared to 1 for a stolen social security number or credit card number with 44 of data breaches that healthcare organizations contribute to this report analyzes for the evolving security measures and trends in the healthcare industry to protect data from cyber crooks an infographic study was carried out to explore the ways by which data is lost states accounting the most and least number of medical data breaches and the location of breached information outcome of this infographics study is expected to pave the way for possibility of future research and scholarly debate potential of cloud computing in healthcare has been taken into account and was analyzed for its benefits of adoption and use obstacles and its forecast in the near future at the outset this report is a snapshot of u s healthcare s defensive preparation and strategy against the level of cyber attacks that will be coming at them statistical analysis on types of breach impacting healthcare organizations the most state wise percentage analysis of medical data breach and cloud computing as a defensive solution to protect the data from cyber attacks and insider threat disgruntled employees and patient record snoopers

bachelor thesis from the year 2016 in the subject tourism miscellaneous grade 1 7 university of applied sciences saarbrücken wirtschaftswissenschaften language english abstract cuba an island full of contradictions the people are poor but happy the socialist regime takes care of every cuban but puts the money into the own pockets while the people have nothing fidel castro once named the tourism as the evil we have to have but in fact tourism became the last resort for the economy of the whole country today his brother raul castro is the face of the partido comunista de cuba pcc the only party in the socialist country and also president of the country but concerning the political orientation nothing has changed at least de facto in fact the change of the political leadership from fidel to raul was a signal for the western societies to start a new dialogue with the isolated country after barack obama s election as president in 2009 both nations showed willingness to approach each other the

slow but steady reconciliation of the two archenemies was noticed worldwide and led to a further increase of cuba tourists especially from europe but also more and more from the usa due to the great importance of the tourism sector for cuba this development seems to be absolutely positive but the progressive mass tourism creates more and more problems due to a lacking adequate touristic infrastructure furthermore the masses of foreign tourists menace the long term preservation of cuba s traditions and identity in this thesis i will analyse cuba s tourism policy of the past of the present and possible developments in the future as well as the consequences for the involved actors the local population the tourists the involved foreign and domestic travel companies and the political decision makers
