this book is a comprehensive anthology comprising essays on women film directors producers and screenwriters from bollywood or the popular hindi film industry it derives from the major theories of modernity postmodern feminism semiotics cultural production and gender performativity in globalized times the collection transcends the traditional approaches of looking at films made by women filmmakers as feminist cinema and focuses on an extraordinary group of women filmmakers like ashwini iyer tiwari bhavani iyer farah khan mira nair vijaya mehta and zoya akhtar the volume will be of interest to academics and theorists of gender and hindi cinema as well as anybody interested in contemporary hindi films in their various

manifestations

this companion offers a unique introductory study of linguistics in india well supplemented with sample problems and linguistic puzzles to bolster analytical skills and logical reasoning it promotes a unique inquiry based approach to learning linguistics the volume looks at all the major subdisciplines of linguistics including phonetics phonology morphology semantics syntax and the interdisciplinary domains of psycholinguistics and neurolinguistics it provides a wealth of data not only from many indian languages belonging to the primary language families present in the country indo aryan dravidian austro asiatic and tibeto burman but also from the endangered languages of the tai kadai family of assam and the greater andamanese family the author gives a holistic view of the linguistic landscape of india and fills a significant gap in the study of the lesser known languages of south asia this volume will be an excellent resource for students and researchers of indian languages cultural studies south asian studies and all branches of linguistics

linguists have long been interested in systems of nominal classification due to their diverse functions as well as cognitive and cultural correlates among others ongoing research has focused on semantic functional and morphosyntactic properties of complex systems such as co occurring gender and numeral classifiers such approaches have typically focused on the languages of north western south america and papua new guinea this volume proposes to fill in a gap in existing research by focusing on asia based on case studies from languages belonging to a wide range of families i e austroasiatic austronesian dravidian hmong mien indo european mongolic sino tibetan and tai kadai as well as the language isolate nivkh gender and classifiers in these languages are approached within several different perspectives i e functional typological and diachronic thus revealing complex patterns in their lexical and pragmatic functions as well as origin development and loss describing and analysing such properties is a unique and innovative contribution of the volume

we have grown up in a country where we were taught a distorted history and some essential segments of our yesteryear have been obscured consequently we were wronged and we wronged others unwittingly knowing our factual past is therefore vital to understanding the aberrations that make our present problematic this book attempts to sensitise people on some crucial chapters of india which have either been misrepresented or blurred the indian state of assam has been distressed by several historical deceptions for over a century now which have remained unaddressed thus despite being one of the most fascinating territories inhabited by incredibly charming people assam is often in the national and international news mostly for the wrong reasons a case in point is a 1983 american magazine editorial in the new republic that reportedly wrote inter alia there are places

the indian state of assam is one where the slaughter of children is a form of political expression the caustic comment was made in an apparent reference to the 1983 broad daylight nellie massacre killing countless newborns toddlers babies infirm females aged people and others indiscriminately in six hours of mayhem in the village on 18th february 1983 dissemination of factual awareness about the disinformation spread earlier by british colonial rulers concerning the history of eastern india is therefore essential to end the present conflicts between the various communities and tribes of the region with meticulous research backed by years of personal experience septuagenarian author subir wrote this book aiming to permeate ordinary peoples much needed understanding of past realities and the prevalent circumstances that should help usher in peace and prosperity promptly in assam

this book examines the best language fair trial practices of the courts in arguably the most multilingual region of the world it contains an instructive list of standards and approaches to linguistic dynamics which may be considered a language fair trial rights code by way of jurisprudential analysis and scrutiny of constitutional imperatives and examination of legislation among the respective jurisdictions from the sahel region to the horn of africa and the cape this publication presents peculiar country specific practices and common standards aiming towards the realisation of a fair trial in a multilingual context the exceptionally multilingual nature of legal processes in africa makes the standards in the region instructive in the progression towards a universal language fair trial rights code the book reveals valuable lessons across jurisdictions including those outside africa and suggests measures that may be taken to improve existing approaches it will be a valuable resource for academics researchers and policy makers working in the areas of law and language legal linguistics forensic linguistics criminal justice and comparative law

the book is the first ever attempt to examine various sociocultural aspects of contemporary india ranging from caste and hierarchy and the religious or political conflict resulting from it to literary practice and intellectual life in the public space and making interdisciplinary associations it does this by going back to various aspects of india s past stretching back several millennia to those owing to public policy after independence many of the issues today such as those named above can be traced to racial mixing through centuries which has created a multitude of conflicts that need solutions today the book is divided into separate chapters corresponding to the issues needing addressing and a brief note at the conclusion of each chapter makes connections with issues dealt in other chapters the book has an introduction tracing a significant portion of india s past and an afterword identifying crisis areas in the present

natural language processing and information retrieval is a textbook designed to meet the requirements of engineering students pursuing

undergraduate and postgraduate programs in computer science and information technology the book attempts to bridge the gap between theory and practice and would also serve as a useful reference for professionals and researchers working on language related projects

it undertakes re readings of the past debates and anticipations of the future ones to arrive at assessments that suggest soberity and a cool consideration of the cold touch of the machine as well as the heat of the fuel that animates it it examines blueprints and reads the road maps to the future that lie before us

uncovers the hidden history of syrian migrant workers in lebanon from independence to the present to break new ground in middle east studies and challenge existing ways of thinking about migration

an extensive collection of significant documents covering all major and minor issues and events regarding terrorism government reports executive orders speeches court proceedings and position papers are presented in full text reprint oceana website

we do not at the present time know how the language situation in a multilingual region such as south asia will be affected by modern information and communication technologies will linguistic diversity be strengthened or weakened as they become increasingly prevalent in all walks of life this volume brings together articles on south asian descriptive linguistics and sociolinguistics documentary linguistics issues of intellectual and cultural property and fieldwork ethics and language technology the book provides the reader with some basic knowledge of the problems concerned and some directions from which solutions could be forthcoming
