a therapist s guide to child development gives therapists and counselors the basics they need to understand their clients in the context of development and to explain development to parents the chapters take the reader through the various physical social and identity developments occurring at each age explaining how each stage of development is closely linked to mental health and how that is revealed in therapy this ideal guide for students as well as early and experienced professionals will also give readers the tools to communicate successfully with the child s guardians or teachers including easy to read handouts that detail what kind of behaviors are not

cause for concern and which behaviors mean it's time to seek help as an aid to practitioners this book matches developmental ages with appropriate evidence based mental health interventions

we all know that kids say the funniest things but do we know why the secret life of 4 5 and 6 year olds has quickly become must see television as each week we are given access to the hidden world of children when adults aren't around since the first episode was broadcast over a hundred children have been featured and their tears tantrums and laughter have provided the best drama on television in this official companion to the award winning channel 4 show written by executive producer teresa watkins and neuroscientist paul howard jones we relive some of its funniest most touching moments and explore what's going on in the heads of little people when big people aren't around it turns out that we can learn a huge amount from them full of amazing moments sharp insights and fascinating science and full of beautiful photography this is a celebration of the extraordinary lives of children and a reminder that we are all closely connected to our four year old selves
