there has long been a need for a translation of the judaeo christian bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors beliefs were quite different from those of modern jews christians and muslims for example the lord is a falsification of the proper name yahweh a god like zeus or jupiter but the most blatant fraud has been the rendering of the hebrew word allahiyim as the male proper name god allahiyim is neither a proper name nor singular nor unisexal al means a god the suffix ah is a feminine singular inflection so that allah means goddess the suffix iyim is a masculine plural inflection making allahiyim a dual sex generic plural male and female gods or in the common gender gods this translation corrects such falsifications for extra copies contact worldaudience org
