this is an in depth study of the battle of midway that reviews the many previous accounts and compares their accuracy and veracity with fresh documentation that has been released recently including new material on the post war analysis made by a us select committee there are new viewpoints on the muddle among the us admirals the total failure of the usAAF despite elaborate claims fresh thinking on the part played by the us navy dauntless dive bombers in the action the mystery of the carrier saratoga's presence hollywood's totally wrong take on the battle in all the films since made about it also included are new eyewitness accounts the author has obtained and information from japanese sources that has never been previously published the lengthy appendices will include statistical details of the ships the planes and the men

ever since adolph berle and gardiner means wrote their classic 1932

analysis of the american corporation the modern corporation and private property social scientists have been intrigued and challenged by the evolution of this crucial part of american social and economic life here william roy conducts a historical inquiry into the rise of the large publicly traded american corporation departing from the received wisdom which sees the big vertically integrated corporation as the result of technological development and market growth that required greater efficiency in larger scale firms roy focuses on political social and institutional processes governed by the dynamics of power the author shows how the corporation started as a quasi public device used by governments to create and administer public services like turnpikes and canals and then how it germinated within a system of stock markets brokerage houses and investment banks into a mechanism for the organization of railroads finally and most particularly he analyzes its flowering into the realm of manufacturing when at the turn of this century many of the same giants that still dominate the american economic landscape were created thus the corporation altered manufacturing entities so that they were each owned by many people instead of by single individuals as had previously been the case

vols 29 47 1913 1931 and v 72 79 1956 1963 include scottish land court reports v 1 19 and v 44 51

music and folk music in particular is often embraced as a form of political expression a vehicle for bridging or reinforcing social boundaries and a valuable tool for movements reconfiguring the social landscape reds whites and blues examines the political force of folk music not through the meaning of its lyrics but through the concrete social activities that make up movements drawing from rich archival material william roy shows that the people s songs movement of the 1930s and 40s and the civil rights movement of the 1950s and 60s implemented folk music s social relationships specifically between those who sang and those who listened in different ways achieving different outcomes roy explores how the people s songsters envisioned uniting people in song but made little headway beyond leftist activists in contrast the civil rights movement successfully integrated music into collective action and used music on the picket lines at sit ins on freedom rides and in jails roy considers how the movement s freedom songs never gained commercial success yet contributed to the wider achievements of the civil rights struggle roy also traces the history of folk music revealing the complex debates surrounding who or what qualified as folk and how the music s status as racially inclusive was not always a given examining folk music s galvanizing and unifying power reds whites and blues casts new light on the relationship between cultural forms and social activity

overmyer history and genealogy from 1680 to 1905 by john c overmyer barnhart b overmyer first published in 1905 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it
