the lives of the six principal characters encountered in this volume five women and one man collectively extend from the mid nineteenth to the mid twentieth century what is most revealing is the evidence of consciousness and changing circumstances in the decades before world war i as these people went from slavery to some sort of freedom this alternation was not necessarily by a formal act of emancipation but all the focus characters finally belonged to or were sheltered in a christian community with a strong antislavery ideology and the capacity to provide a base for social reconstruction page 4 of cover

in this text the author sets forth and then evaluates the images of slave women accumulated in published sources and folklore

the particular experience of enslaved women across different cultures and many different eras is the focus of this work

the lives of the six principal characters encountered in this volume five women and one man collectively extend from the mid nineteenth to the mid twentieth century what is most revealing is the evidence of consciousness and changing circumstances in the decades before world war i as these people went from slavery to some sort of freedom this alternation was not necessarily by a formal act of emancipation but all the focus characters finally belonged to or were sheltered in a christian community with a strong antislavery ideology and the capacity to provide a base for social reconstruction page 4 of cover

in this innovative study marietta morrissey reframes the debate over slavery in the new world by focusing on the experiences of slave women rich in detail and rigorously comparative her work illuminates the exploitation achievements and resilience of slave women in the british dutch french spanish and danish colonies in the caribbean from 1600 through the mid 1800s morrissey

examines a wide spectrum of experience among caribbean slave women including their work at home in the fields and as domestics their roles as wives and mothers their health sexuality and fertility and their decline in status with the advent of industrialization and the abolition of slavery life for these women morrissey shows was much more hazardous brutal and fragmented than it was for their counterparts in the american south these women were in a constant dynamic struggle with men both masters and fellow slaves over the foundations of their social experience this experience was defined both by their status as slaves and by gender inequality on the one hand their slave status gradually robbed them of their domain the household economy and created a kind of perverse equality in which slave women like slave men became units of agricultural labor one the other hand slave women were denied the access that slave men eventually gained to skilled agricultural work the result of this gender inequality as morrissey convincingly demonstrates was a further erosion of the status and authority of slave women within their own culture morrissey s study which addresses significant issues in women s history and black history will go far toward reshaping our perceptions of slave life in the new world

this book analyzes textual representations of jamaican slave women in three contexts motherhood intimate relationships and work in both pro and antislavery writings altink examines how british abolitionists and pro slavery activists represented the slave women to their audiences and explains not only the purposes that these representations served but also their effects on slave women s lives

the story of the enslaved west indian women in the struggle for freedom the forgotten history of women slaves and their struggle for liberation enslaved west indian women had few opportunities to record their stories for posterity in this riveting work of historical reclamation stella dadzie recovers the lives of women who played a vital role in developing a culture of slave resistance across the caribbean dadzie follows a savage trail from elmina castle in ghana and the horrors of the middle passage as slaves

were transported across the atlantic to the sugar plantations of jamaica and beyond she reveals women who were central to slave rebellions and liberation there are african queens such as amina who led a 20 000 strong army there is mary prince sold at twelve years old never to see her sisters or mother again asante nanny the maroon the legendary obeah sorceress who guided the rebel forces in the blue mountains during the first maroon war whether responding to the horrendous conditions of plantation life the sadistic vagaries of their captors or the peculiar burdens of their sex their collective sanity relied on a highly subversive adaptation of the values and cultures they smuggled from their lost homes by sustaining or adapting remembered cultural practices they ensured that the lives of chattel slaves retained both meaning and purpose a kick in the belly makes clear that subtle acts of insubordination and conscious acts of rebellion came to undermine the very fabric of west indian slavery

david barry gaspar and darlene clark hine s beyond bondage outlines the restricted spheres within which free women of color by virtue of gender and racial restrictions were forced to carve out their existences although their freedom represented by the acquisition of property respectability and opportunity always remained precarious the collection supports the surprising conclusion that women of color often sought and obtained these advantages more successfully than their male counterparts

between 1500 and 1870 european traders transported millions of africans to the americas to work as slaves yet despite the wealth of scholarship on this period many people remain uninformed about the history of the slave trade and its implications for the modern black experience published to accompany a permanent gallery in the merseyside maritime museum transatlantic slavery documents this era through essays on women in slavery the impact of slavery on west and central africa and the african view of the slave trade richly illustrated it reveals how the slave trade shaped the history of three continents africa the americas and europe and how all of us continue to live with its consequences

this book sheds light on the final process of slavery in morocco unraveling the contemporary roots of servility and stereotypes

about blackness in the arab world unlike other generalist analyses this research focuses on the practice of servitude through a case study in the city of tetouan until well into the twentieth century bought women arrived in the city to join the domestic labor market also becoming signs of social distinction this historical ethnography is paradigmatic in reconstructing the relations between masters and domestics of slave origin putting names and faces to subaltern people to rescue them from oblivion
