the purpose of this study is to clarify the relationship between the hazzan and the shaliah tzibbut the two major functionaries it also examines the etymology of the term hazzan the function of both the temple hazzan and the synagogue hazzan during the tannaitic and amoraic periods and the underpinnings of the needs that led to the eventuation of a shaliah tzibbur and the nature of his ministrations the talmudic sources point out their separateness in the post talmudic period the functions have already merged this analysis treats the reasons for and the period of time of the merging and the communal status of either or both

this collection of essays explores the ways in which jews lived within the hellenistic and greco roman contexts how they negotiated their religious and social boundaries in their own distinctive manner it also reflects the issues that emerge when we study the development of several aspects of jewish civilization through the ages

a journal of orthodox jewish thought

this textbook for doctors and other licensed practitioners interested in becoming certified reform mohalim and mohalot introduces the practical issues of conducting this time honored ceremony

description the challenge of this book has been to rethink prevailing ideas about the social map of jewish society during the rabbinic period in israel new insights were made possible by using anthropological theories and tools the book explores the rich and complex relationships among the sages priests and laymen who competed in social cultural and political arenas for hegemony it demonstrates that this struggle was not a simple case of displacement of the priestly elite by a new scholarly elite in the process of constituting a counter hegemony of the sages there was a complex push pull process attraction rejection imitation denial and co operation confrontation they undermined the old order by using the old hegemonic priestly discourse whereas the sages proposed a new order based on intellectual achievement they nevertheless created on top of the earlier hegemonic order a new order of group nepotism endogamy ritual purity and secret knowledge and education provided only to the proper social classes ben zion concludes that even in the process of resistance and disengagement from the priestly hegemony the sages could not free themselves from the bondage of the priestly discourse and praxis

rabbi yosef stern has distilled the profound scintillating pithy incredibly rich discourses of the great sfas emes rabbi yehudah aryeh alter of ger into enlightening and inspiring english essays this book opens the portals to some of the loftiest and most enlightening thought of the last century on the shalosh regalim pesach shavuot and succot

information about women in this truly fascinating period from 500 to 1500 is in great demand and has been a challenge for historians to uncover bardsley has mined a wide range of primary sources from noblewomen's writing court rolls chivalric literature laws and legal documents to archeology and artwork this fresh survey provides readers with an excellent understanding of how women high and low fared in terms of religion work family law culture and politics and public life even though medieval women were divided by social class religion age marital status place and period they were all subject to an overarching patriarchal structure and sometimes could transcend their inferior status numerous examples of these exceptional women and their words are included chapter 1 examines religion focusing on women's roles in the early christian church the lives of nuns and other professional religious women such as anchoresses and beguines the participation of christian laywomen and the experiences of jewish and islamic women in western europe the second chapter examines women's work looking in turn at the kinds of work performed by peasant women townswomen and noblewomen women's roles within the family form the subject of the third chapter this chapter follows women throughout the typical lifecycle from girl to widow examining the expectations and experiences of women at each stage chapter 4 women and the law focuses on the ways in which laws both restricted and protected women it also considers the crimes with which women were most often charged and surveys laws regarding marriage and widowhood women's roles in creative arts form the basis of the fifth chapter women and culture this chapter examines women's roles as artists authors composers and patrons as well as investigating the ways in which women were represented in works produced by men finally chapter 6 discusses women's experiences in politics and public life while women as a group were typically banned from holding positions of public authority some found ways to get around this stricture while others were able to exercise power behind the scenes the final chapter thus encapsulates a major theme of this book the interplay between broader patriarchal forces that limited women's status and autonomy and the role of individuals who were able to overcome or circumvent such forces medieval women were as a group subordinate to their husbands and fathers but certain women under certain circumstances evaded subordination
