jiambalvo was developed based on the notion that a significant piece of the market was unsatisfied with the traditional encyclopedic book across the first four editions jiambalvo

has found its market within that space it appeals to instructors who want to place a real emphasis on the non accounting students in their course it also appeals to those instructors who want their text to have a more streamlined approach either due to lack of student preparation short course duration or personal preference through the fourth edition the jiambalvo segment has evolved to primarily state schools and community colleges as in the past four editions the fifth edition of jiambalvo continues to be a more concise affordable text that is focused on the needs of future managers the book builds on the framework exemplified by the book s two major themes incremental analysis and performance measurement that helps unite the numerous topics in managerial accounting

recognizing that most students will pursue careers as managers not accountants managerial accounting 5th edition binder ready version by james jiambalvo is designed to teach the fundamental ideas of managerial accounting while making direct connections between managerial accounting techniques in the business world and students future careers students and instructors alike have praised this texts clear and concise writing style to the point discussions real world cases managers insights illustrated ideas and examples managerial accounting 5th edition binder ready version highlights decision making through incremental analysis and stresses that you get what you measure in each chapter this new edition provides students with many opportunities to test their knowledge as they learn the concepts throughout each chapter this text is an unbound binder ready edition wileyplus sold separately from text
