a casebook in business management indonesian traditional herbal industry provides materials to support the application of case based method in classes it is applicable for undergraduate and master s students focusing on management studies the cases discuss myriads of topics that require in depth analysis based

on human resource management strategic management operations management and financial management concepts the cases are divided into several themes including organizational behavior strategic management supply chain management financial management quality management and product diversification to analyze the cases presented in this book students may employ numerous tools such as fishbone diagram swot analysis pest analysis ifas and efas analysis porter s five forces and many others there are eight cases in this book the first case discusses the succession planning in herbal medicine jamu industry the second case talks about the traditional cosmetics industry in indonesia that uses one of the benefits of jamu for beauty purpose the third case discusses the defensive strategy implemented by herbal medicine companies and several cases on strategies to manage and preserve herbal medicine jamu industry the last case discusses the financial management of a herbal medicine jamu company book table of contents case 1 succession planning how to continue the legacy of traditional herbal medicine industry in indonesia case 2 traditional cosmetics industry in indonesia using jamu for beauty purposes case 3 assessing defensive strategy for energy drink products during the covid 19 pandemic extra joss and kukubima ener g case 4 pt industri jamu dan farmasi sido muncul tbk herbal industry for health case 5 jamu with medicinal chemicals urgency of supply chain integration case 6 jamu diversification developing jamu without leaving its history case 7 the dilemma of indonesian traditional herbal medicine standardization case 8 pt industri jamu dan farmasi sido muncul tbk the largest herbal company in indonesia

the first ethics casebook that integrates clinical ethics medical nursing and dental and research ethics with public health and informatics the book opens with five chapters on ethics the development of interprofessional ethics and brief instructional materials for students on how to analyze ethical cases and for teachers on how to teach ethics in today s rapidly evolving healthcare system the cases in this book are far more realistic than previous efforts that isolate the decision making process by professions as if each is not embedded in a larger context that involves healthcare teams hospital policies and technology the central claim of this book is that ethics is an important common ground for all of the health professions furthermore when we recognize that our professions converge upon a common goal we will find less conflict and more pleasure in working together

european consumer law has become a vital part of both legal education and practice this casebook details the most fundamental judgments of the court of justice on consumer law to date and their effect on national legal systems it contains twenty leading european cases and is then followed by concise analyses of the effect of these decisions on some of the national legal systems of the member states and how national legislatures and national courts have reacted to this ever burgeoning area of european law the focus of the book is private law including consumer contracts advertisement law european product liability and consumer dispute resolutions the casebook is an essential guide for students and practitioners alike it provides the reader with an overview of

the most important cases and analyses in the area of european consumer law on both european and national levels the editors and contributors to the country reports are members of the eu funded research network common principles of european private law

publisher description

this is the fifth fully updated edition of professor burrows casebook offering law students the ideal way to discover and understand contract law through reading highlights from the leading cases designed to be used either on its own or to supplement a contract law textbook this book covers the undergraduate contract law course in a series of clearly presented and carefully structured chapters the author provides an expert introduction to each topic and his succinct notes and questions seek to guide students to a proper understanding of the cases the relevant statutes are also set out along with a principled analysis of them in addition to cross references to further discussion in the leading textbooks an innovative feature is the summary of leading academic articles in each chapter the book is designed not to overwhelm students by its length but covers all aspects of the law of contract most commonly found in the undergraduate curriculum praise for previous editions professor burrows a casebook on contract provides everything you want in a case book a stimulating thought provoking and up to date account of contract law it combines both fantastic academic commentary and superbly selected materials making it simply one of the best contract law casebooks student law journal 2013 excellent update continues to be the best text cases and materials volume out there jeremias prassl st john s college oxford the most up to date text student friendly excellent coverage of the case law dr benjamin andoh southampton solent university law school an outstanding casebook concise extracts that capture all relevant aspects clear and helpful comments and up to date and well selected suggestions for further reading florian wagner von papp university college london probably the best and most straightforward text with very good commentary and overview of further reading ewan mcgaughey king s college london simply excellent as it has case comments and insightful questions to work out tutorial problems burrows is essential anca chirita durham law school clear comprehensive incisive and up to date professor joshua getzler st hugh s college oxford

using cases taken from the authors case files or from case files of other working clinicians this casebook portrays the rich and arresting nature of disorders as they are displayed in real people cases illustrate every major dsm iv category and are followed by a therapy outcome section which gives the rest of the story of what happened to these clients the authors draw on an extremely current and thorough database look at the multiple causes of disorders and incorporate developmental and cultural issues in each case two complex cases are included without a diagnosis to give students an opportunity to come up with diagnoses on their own the cases are designed to give students an appreciation for the complexity of the diagnostic process

thomas keymer s introduction to this casebook examines the historical context and controversial reception of tristram shandy and connects the essays selected for inclusion to the diverse traditions of sterne criticism

this collection of essays by legal scholars explores the digital revolution that has transformed legal education it discusses the way digital materials will be created and how they will change concepts of authorship as well as methods of production and distribution the book also explores the impact of digital materials on law school classrooms and law libraries and the potential transformation of the curriculum that these materials are likely to produce

this casebook portrays the rich and arresting nature of disorders that first manifest themselves in childhood and shows how the child s developmental patterns shape the expression of each disorder each case is complex and rich and demonstrates how each disorder is expressed from presentation through diagnosis and treatment in a way that a case excerpt within a chapter simply can not do throughout the book the author explores the dsm iv criteria and demonstrates the interaction between developmental and environmental influences for each disorder

this comprehensive collection presents a case method approach to teaching business ethics making it ideal for advanced undergraduate and graduate level courses in both philosophy and business departments it contains a wide range of individual managerial and corporate cases many with an international perspective all cases have been classroom tested at the harvard business school most have been developed in the field rather than in the library the third edition is now in softcover for the first time with 15 fewer pages nine new cases of the total 53 cases cover such topics as labor management trust product liability foreign bribery the dow bankruptcy over breast implant lawsuits and more a new appendix ethical frameworks for management provides students with ethical frameworks for analysis and a second new appendix bridging east and west in management ethics discusses certain basic similarities between asian and western ethical ideals
