this innovative and unique textbook describes change as a socially constructed process reinforced by the interactions of employees at all levels including video and audio resources it emphasises the fact that change is an on going phenomenon not an event that will soon be over once the consultants have left but a permanent feature of an adaptable organisation this novel theoretical perspective makes it the first and only text to focus on the central role of conversations and storytelling in managing change strengthening the business focus of the text this new 3rd edition includes provision of practical tools and techniques for managing change increased coverage of sustaining change and a greater number of international examples and case studies managing organizational change is suitable for change management modules at all levels of undergraduate and postgraduate study

managing organizational change describes change as an on going phenomenon not an event that will soon be over but a permanent feature of organizational life this enhanced new edition refocuses on how change is achieved through relational communication based on conversations narrations and storytelling new to this edition an extended coverage of diagnosis and intervention with an emphasis on appreciative inquiry revised cases and newer conversational episodes from a wide variety of organizational settings a variety of activities designed to engage students and enhance their learning outcomes this textbook is ideal for undergraduate and postgraduate students of change management and for those aspiring to become managers and consultants

rethinking organizational change the role of dialogue dialectic polyphony in the organization makes an important scholarly contribution to our understanding of dialogue applied to the management of change muayyad jabri offers an involved assessment of the differences between dialogue and dialectic and an intriguing invitation to rely on both for managing creative interventions into the change process the book provides a surplus of new insights that will help to promote scholarly work in the area of managing change and to develop a more creative practice associated with the processes of managing change the call for polyphony facilitates a crossover from sameness to diversity and from univocal to multivocal representations in reading patterns of managing change whether from within or across organizational borders it is found that a vital part of the reading is at present unreadable because we lack involved knowledge of how diversity and polyphony are interrelated this book seeks to change this based on a rendition of mikhail bakhtin s anthropological concept of polyphony applied to organizational change the reader is treated to a cutting edge discussion of a variety of contemporary ontological and epistemological themes centered on process

dialectic dialogue and social construction

providing the skills to successfully manage change managing organizational change a multiple perspectives approach 3e by palmer dunford and buchanan offers managers a multiple perspectives approach to managing change which recognizes the variety of ways to facilitate change and reinforces the need for a tailored and creative approach to fit different contexts the third edition offers timely updates to previous content while introducing new and emerging trends developments themes debates and practices

a practical guide to understanding and effecting changes in your organization the text is a complete sourcebook of current ideas and trends in organizational change how it comes about who participates how it is concluded and the obstacles often faced

scholars agree that change has become a staple in organizational life and will likely remain as such beyond the 21st century as the rate of change continues to accelerate organizations must strive to develop and implement new initiatives in order to obtain significant benefits to organizational survival economic viability and human satisfaction organizational change management strategies in modern business covers the most important elements of change management as well as the difficulties and challenges that organizations have faced when implementing change in sampling different disciplines relevant to topics such as resistance to change mergers and acquisitions management leadership the role of human resource strategies and culture this reference work is a useful resource for academics professionals managers administrators and others interested in organizational change

organizations are constantly evolving and intelligent leadership is needed during times of transformation change leaders must help people become aware of understand and find meaning in the new things which arise they must oversee a sensemaking process addressing this need effective organizational change explores the importance of leadership for organizational change based on sensemaking combining a theoretical overview models and conceptual discussions rich with in depth examples and case studies this book uncovers what it is that leaders actually do when they lead change through sensemaking it presents the most current sensemaking research extends earlier work by developing the concept of landscaping and provides guidelines on how leaders can drive sensemaking processes in practice this book is for undergraduate postgraduate and mba students of organizational change as well as managers embarking on change projects within their organizations

a critical area of competitive advantage is the ability of organizations to lead rather than follow changes in the market this means having the ability to roll out the right changes quickly and reliably in a way that delivers a return on investment managing organizational change brings together all the different roles and functions within an organization that a leader has to manage effectively to ensure successful and sustainable organizational change centred around the cycle of change model it provides a practical yet reflective overview of the four things you have to have culture capacity commitment and capability and the six things you have to do direct drive deliver prepare propagate and profit it explains which type of resources you need in order to achieve long term change which tasks roles and activities need to be in place and crucially how to lead during a time of great unease managing organizational change will help you deliver better outcomes reflect on what your organization needs to do better and ensure change is embedded throughout your organization online supporting resources for this book include downloadable appendices to supplement several chapters

vol for 1963 includes section current australian serials a subject list
