frankl's elaboration of his theory that man's primary motivational force is the search for meaning

a young adult edition of the best selling classic about the holocaust and finding meaning in suffering with a photo insert a glossary of terms a chronology of frankl's life and supplementary letters and speeches viktor e frankl's man's search for meaning is a classic work of holocaust literature that has riveted generations of readers like anne frank's diary of a young girl and elie wiesel's night frankl's masterpiece is a timeless examination of life in the nazi death camps at the same time frankl's universal lessons for coping with suffering and finding one's purpose in life offer an unforgettable message for readers seeking solace and guidance this young adult edition features the entirety of frankl's holocaust memoir and an abridged version of his writing on psychology supplemented with photographs a map of the concentration camps a glossary of terms a selection of frankl's letters and speeches and a timeline of his life and of important events in the holocaust these supplementary materials vividly bring frankl's story to life serving as valuable teaching and learning tools a foreword by renowned novelist john boyne provides a stirring testament to the lasting power of frankl's moral vision

viktor frankl is known to millions as the author of man's search for meaning his harrowing holocaust memoir in this book he goes more

deeply into the ways of thinking that enabled him to survive imprisonment in a concentration camp and to find meaning in life in spite of all the odds here he expands upon his groundbreaking ideas and searches for answers about life death faith and suffering believing that there is much more to our existence than meets the eye he says no one will be able to make us believe that man is a sublimated animal once we can show that within him there is a repressed angel in man s search for ultimate meaning frankl explores our sometimes unconscious desire for inspiration or revelation he explains how we can create meaning for ourselves and ultimately he reveals how life has more to offer us than we could ever imagine

over 16 million copies sold worldwide every human being should read this book simon sinek one of the outstanding classics to emerge from the holocaust man s search for meaning is viktor frankl s story of his struggle for survival in auschwitz and other nazi concentration camps today this remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives

in our age of depersonalization frankl teaches the value of living to the fullest upon his death in 1997 viktor e frankl was lauded as one of the most influential thinkers of our time the unheard cry for meaning marked his return to the humanism that made man s search for meaning a bestseller around the world in these selected essays written between 1947 and 1977 dr frankl illustrates the vital importance of the human dimension in psychotherapy using a wide range of subjects including sex morality modern literature competitive athletics and philosophy he raises a lone voice against the pseudo humanism that has invaded popular psychology and psychoanalysis by exploring mankind s remarkable qualities he brilliantly celebrates each individual s unique potential while preserving the invaluable traditions of

both freudian analysis and behaviorism

now in its 60th year the landmark bestseller by the great viennese psychiatrist remembered for his tremendous impact on humanity internationally renowned psychiatrist viktor e frankl endured years of unspeakable horror in nazi death camps during and partly because of his suffering dr frankl developed a revolutionary approach to psychotherapy known as logotherapy at the core of his theory is the belief that man s primary motivational force is his search for meaning cited in dr frankl s new york times obituary in 1997 as an enduring work of survival literature man s search for meaning is more than the story of viktor e frankl s triumph it is a remarkable blend of science and humanism and a compelling introduction to the most significant psychological movement of our day gordon w allport

a highly anticipated rediscovered collection from viktor frankl published for the first time in the united states exploring freedom responsibility and how we can draw meaning from the temporary nature of our lives from the bestselling author of man s search for meaning which has sold over 18 million copies the library of congress lists man s search for meaning as one of the ten most influential books in history scientists and artists politicians and celebrities regularly cite frankl as one of the most important authors every person should read now there is another book for his devoted fans to add to their collections published here for the first time in the united states embracing hope continues frankl s enduring life s work and provides even more lessons for those searching for meaning and purpose it s made up of four distinct pieces from frankl on different themes all uniting around the idea that we should remain open to life even when we have been subjected to appalling injustice and even when we are faced with our own mortality and the brief nature of our lives at a

time of global suffering where so many are searching for hope and meaning frankl s work seems more relevant and more important than ever whether you re a devoted follower of frankl s work or a newcomer seeking to enrich your understanding of life s purpose this book promises a captivating journey that will leave you pondering its teachings long after you ve turned the final page just imagine what would happen what life would look like if there were no death imagine what it would be like if you could postpone anything and everything if you could put it off for eternity you wouldn t have to do anything today or tomorrow everything could just as easily be done next week next month next year in a decade in 100 or 1 000 years only in the face of death only under pressure from the finiteness the temporal limitation of human existence is there any point in going about our business and not only in going about our business but in experiencing life and not only in experiencing life but also in loving someone and even in enduring and surviving something that is inflicted on us

as a holocaust survivor neurologist and psychiatrist dr viktor e frankl had a personal stake in the effectiveness of his approach to psychology he lived the suffering about which he wrote with this new reading of the book of job lewis further develops frankl s concept of logotherapy as a literary hermeneutic presenting readers with the opportunity to discover unique meanings and clarify their attitudes toward pain guilt and death key issues emerge from the discussion of three different movements which address frankl s concept of the feeling of meaninglessness and his rejection of reductionism and nihilism the dual nature of meaning and his ideas of ultimate meaning and self transcendence discovering meaning through participation with the text enables us to see that job s final response can become a site for transcending suffering

introduction to viktor e frankl the man and his message philosopher of meaning viktor emil frankl was a philosopher of meaning even from his childhood days and into his adolescent years frankl was concerned with meaning at the early age of four he vividly remembered the thought of his own mortality in his autobiography he recalled one evening just before falling asleep i was startled by the unexpected thought that one day i too would have to die what troubled me then as it has done throughout my life was not the fear of dying but the question of whether the transitory nature of life might destroy its meaning even as a teenager frankl was on a quest for meaning searching for the answer to the question what is the meaning of life he wrote i well remember how i felt when i was exposed to reductionism in education as a junior high school student at the age of thirteen once our natural science teacher told us that life in the final analysis was nothing but a combustion process an oxidation process i sprang to my feet and said professor fritz if this is the case what meaning does life have in 1921 as a high school student at the age of 16 he gave his first public lecture to an adult education school it was entitled the meaning of life for frankl all of life was imbued with meaning no matter what situation in which one may find oneself no how well or ill chronically or terminally ill one was no matter where one was along life s journey no matter how badly a person may have wrecked his or her life in all of its various conditions life still has meaning as frankl often said every life in every situation and to the last breath has a meaning retains a meaning he was emphatic the so called life not worth living does not exist frankl was an amazing man who had an amazing message to tell men and women in the 20th century he was an extremely gifted human being a physician psychiatrist and philosopher

summary of man s search for meaning frankl struggled in four separate concentration camps including auschwitz between 1942 and 1945

while his parents brother and wife were all killed the descriptions of life in nazi death camps and the lessons for spiritual survival have captivated readers for years it contends that although we cannot avoid suffering we can choose how to deal with it find meaning in it and move forward with renewed purpose it bases this claim on his experiences as well as the experiences of others treated later in his practice disclaimer this is a summary of the book not the original book and contains opinions about the book

the bestselling holocaust memoir about finding purpose and strength in times of despair selected as a library of congress 10 most influential books in america this stunning gift edition of one of the great books of our time harold s kushner features new photos end papers and frankl s never before published speeches and letters hailed as an enduring work of survival literature by the new york times viktor frankl s account of his time in the nazi concentration camps and his insights into our ability to find meaning despite great adversity has offered solace and guidance to generations of readers since it was first published in 1946 this stunning hardcover gift edition features previously unpublished material including letters speeches essays and an 8 page photo insert that reveal frankl s enduring lessons on perseverance and strength in even greater depth at the heart of frankl s theory of logotherapy from the greek word for meaning is a conviction that the primary human drive is not pleasure as freud maintained but rather the discovery and pursuit of what the individual finds meaningful today as new generations face new challenges and an ever more complex and uncertain world frankl s classic work continues to inspire us all to find significance in the very act of living in spite of all obstacles with more than 16 million copies sold in over 50 languages this timeless masterpiece is one of the outstanding contributions to psychological thought carl rogers and offers inspiration for coping with suffering and finding your purpose

is your career stagnant are you frustrated in your love life change your life by following the three lessons from viktor frankl s man s search for meaning man s search for meaning by viktor frankl has riveted readers all over the world a survivor of the holocaust viktor frankl is the founder of logotherapy replete with soul stirring accounts from his life in concentration camps the book addresses how to find meaning in life how to overcome grief how to find hope in despair how to cope with loss and pain how to lead a content and happy life how to bounce back from all struggles have you been a fan of man s search for meaning viktor frankl s autobiographical memoir with chilling details of a concentration camp life did viktor frankl s logotherapy techniques ring a chord with you read this book that extensively talks about the lessons from man s search for meaning logotherapy and how humor can ease your pain

inspired by the enduring wisdom of best selling author psychiatrist and holocaust survivor viktor frankl a guided journaling companion on finding meaning in an unpredictable world the perfect gift for soul searchers a treasure trove of journaling prompts quotes and writing exercises on purpose relationships happiness and more widely regarded as one of the top 10 most influential books in america viktor e frankl s man s search for meaning has transformed millions of lives with its message of finding purpose in the face of great suffering now readers at all stages of life can dive deeper with this giftable reading companion the only to be authorized by the frankl family curated by two cofounders of the viktor e frankl institute of america this book focuses on 21 themes central to frankl s prolific writings it is a robust collection of timeless quotes reflections prompts and exercises to aid the reader on their journey toward leading a more meaningful and intentional life along the way they are invited to contemplate their views on humanity and uniqueness freedom and suffering work and wealth responsibility and community designed for the hands on reader this beautiful lay flat companion features a

satin ribbon marker and space for written reflections and notes on each theme it is the perfect gift for those beginning a new chapter of life or anyone charting their own paths in the search for meaning

from the author of man s search for meaning one of the most influential works of psychiatric literature since freud holocaust survivor viktor e frankl is known as the founder of logotherapy a mode of psychotherapy based on man s motivation to search for meaning in his life the author discusses his ideas in the context of other prominent psychotherapies and describes the techniques he uses with his patients to combat the existential vacuum originally published in 1969 and compiling frankl s speeches on logotherapy the will to meaning is regarded as a seminal work of meaning centered therapy this new and carefully re edited version is the first since 1988

use frankl s insights and techniques to improve life for your aging clients or parishioners viktor frankl a holocaust survivor who experienced firsthand the horrors of auschwitz saw man as a being who continuously decides what he is a being who equally harbors the potential to descend to the level of an animal or to ascend to the life of a saint man is that being who after all invented the gas chambers but at the same time he is that being who entered into those same gas chambers with his head held high and with the our father or the jewish prayer of the dying on his lips dr frankl s insights led him to found the therapeutic system of logotherapy which views man as a spiritual being rather than simply as a biological construct logotherapy has come to be called the third viennese school of psychotherapy after freud s psychoanalysis and adler s individual psychology he left a rich legacy of theory and insights especially relevant to the search for meaning in later life the tenets of logotherapy provide many clues and approaches to what an ever increasing body of evidence

suggests regarding the crisis of aging as a crisis of meaning frankl s insightful work increased man s understanding of the spiritual dimension of humanity and the dignity and worth of every person in the face of what he called the tragic trial of human existence pain guilt and death viktor frankl s contribution to spirituality and aging presents an essential overview of logotherapy and explores the search for and the will to meaning in later life the connection between logotherapy and pastoral counseling bringing psychology and theology together to effectively counsel the aging the role of logotherapy in the treatment of adult major depression aspects of meaning and personhood in dementia the search for meaning in long term care settings viktor frankl s contribution to spirituality and aging represents varying professional perspectives on the application of frankl s logotherapy for ministry with older adults the chapter authors represent diverse professional backgrounds in medicine pastoral theology the behavioral sciences and pastoral ministry they address issues such as death and dying dementia and depression and the spiritual meaning of aging as well as frankl s conception of the nature of humanity everyone interested in the connection between theology and psychology in the context of the aging will want to own this book

t his is a scholarly commendable biography and intellectual history lay readers will be challenged psychologists and historians will be grateful library journal starred review first published in 1946 viktor frankl s memoir man s search for meaning remains one of the most influential books of the last century selling over ten million copies worldwide and having been embraced by successive generations of readers captivated by its author s philosophical journey in the wake of the holocaust this long overdue reappraisal examines frankl s life and intellectual evolution anew from his early immersion in freudian and adlerian theory to his development of the third viennese school amid the national socialist domination of professional psychotherapy it teases out the fascinating contradictions and ambiguities

surrounding his years in nazi europe including the experimental medical procedures he oversaw in occupied austria and a stopover at the auschwitz concentration camp far briefer than has commonly been assumed throughout author timothy pytell gives a penetrating but fair minded account of a man whose paradoxical embodiment of asceticism celebrity tradition and self reinvention drew together the complex strands of twentieth century intellectual life from the introduction at the same time frankl s testimony second only to the diary of anne frankin popularity has raised the ire of experts on the holocaust for example in the 1990s the united states holocaust memorial museum in washington purportedly refused to sell man s search for meaningin the gift shop during the late 1960s and early 1970s frankl became very popular in america frankl s survival of the holocaust his reassurance that life is meaningful and his personal conviction that god exists served to make him a forerunner of the self help genre

man s search for meaning by viktor e frankl conversation starters man s search for meaning an introductory to logotherapy written by viktor frankl was released in 1946 and tells of the time the author spent in a concentration camp during the holocaust however it s more than a book about the holocaust frankl doesn t just tell his story he also uses his psychology expertise to help readers discover meaning and purpose in their lives today some 80 years after its original publication the book remains popular it is ranked 1 in its category on amazon and has a rating of 4.7 stars a brief look inside every good book contains a world far deeper than the surface of its pages the characters and their world come alive and the characters and its world still live on conversation starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on these questions can be used to create hours of conversation promote an atmosphere of discussion for groups foster a deeper understanding of the book assist in the study of the book

either individually or corporately explore unseen realms of the book as never seen before disclaimer this book you are about to enjoy is an independent resource meant to supplement the original book if you have not yet read the original book we encourage you to before purchasing this unofficial conversation starters
