in 700 ad a tribe of warriors left their homeland and struck out for glory conquest they came to take no prisoners their eerie horns made a distinctive sound and their fearsome longboats struck from out of nowhere the vikings their history mythology fascinates many because it speaks to something within us the fight to succeed and to grow stronger make no mistake these were not nice people but much of their legacy was not just about pillaging and destruction in this book history brought alive reveals new insights into the vikings join us on a rampage through their history culture myths and more blending historical accounts tales and mythology this is the definitive guide to the life and times of the vikings see into the lives of these legendary people the impact that they had on medieval society and beyond in this book you will discover common misunderstandings about the vikings the viking diet discover the energy source of the epic warriors

runestones meanings opening a gateway to ancient viking civilization famous battles including the legendary battle of stamford bridge in 1066 language of the vikings old norse language throughout history viking longships how the norsemen ruled the waves traditions culture rituals births weddings the complex way the vikings responded to death viking gods goddesses loki the trickster thor god of thunder more what happened to the vikings why did they disappear and much much more the viking era may have ended but their legacy lives on and if you want to find out more about the vikings then this is the book for you

tegneserie om skandinaviens frygtede vikinger

learn what it was like to live as a norseman in this fun and fascinating look at vikings and the viking age vikings those ancient norse seafarers have inspired plenty of pop culture phenomena from the a e hit show vikings to thor ragnarök to the ever expanding world of viking larp known for being skilled craftspeople accomplished merchants hardworking farmers and masters of the sea the vikings were a complex and captivating people inspired by the legendary legacy of the vikings author kjersti egerdahl presents a compelling and entertaining guide exploring who the vikings were and how they lived from ancient norse daily life to battles and adventuring you ll learn how vikings ate dressed and fought and even how they weaved the perfect beard braid and built warships and weapons interspersed throughout is revealing historical anecdotes about viking conquests famous warriors mythology and afterlife and much more

the vikings provides a concise but comprehensive introduction to the complex world of the early medieval scandinavians in the space of less than 300 years from the mid eighth to the mid eleventh centuries ce people from what are now norway sweden and denmark left their homelands in unprecedented numbers to travel across the eurasian world over the last half century archaeology and its related disciplines have radically altered our understanding of this period the vikings explores why we now perceive them as a cosmopolitan mix of traders and warriors craftsmen and poets explorers and settlers it details how over the course of the viking age their small scale rural tribal societies gradually became urbanised monarchies firmly emplaced on the stage of literate christian europe in the process they transformed the cultures of the north created the modern nordic nation states and left a far flung diaspora with legacies that still resonate today written by leading experts in the period and exploring the society economy identity and world views of the early medieval scandinavian peoples and their unique religious beliefs that are still of enduring interest a millennium later this book presents students with an unrivalled guide through this widely studied and fascinating subject revealing the fundamental impacts of the vikings in shaping the later course of european history

the northmen s fury tells the viking story from the first pinprick raids of the eighth century to the great armies that left their scandinavian

homelands to conquer larger parts of france britain and ireland it recounts the epic voyages that took them across the atlantic to the icy fjords of greenland and to north america over four centuries before columbus and east to the great rivers of russia and the riches of the byzantine empire one summer s day in 793 death arrived from the sea the raiders who sacked the island monastery of lindisfarne were the first vikings sea borne attackers who brought two centuries of terror to northern europe before long the sight of their dragon prowed longships and the very name of viking gave rise to fear and dread so much so that monks were reputed to pray each night for delivery from the northmen s fury yet for all their reputation as bloodthirsty warriors the vikings possessed a sophisticated culture that produced art of great beauty literature of abiding power and kingdoms of surprising endurance the northmen s fury describes how and why a region at the edge of europe came to dominate and to terrorise much of the rest of the continent for nearly three centuries and how in the end the coming of christianity and the growing power of kings tempered the viking ferocity and stemmed the tide of raids it relates the astonishing achievement of the vikings in forging far flung empires whose sinews were the sea and whose arteries were not roads but maritime trading routes the blood of the vikings runs in millions of veins in europe and the americas and the tale of their conquests explorations and achievements continues to inspire people around the world

twins josh and emma blinkerton swore they d never return to the good times travel agency only now a terrible storm has driven them and their little sister libby right through its doors worse libby s opened another of julian t pettigrew s guidebooks and the blinkertons find themselves hurtling back in time to the viking age all seems fine at first as the children are welcomed by the locals but they quickly realize that viking life is not for the faint of heart it involves beds made of earth monotonous farm work and death defying sports and when josh and libby inadvertently stow away on a viking ship headed for a raid it suddenly turns perilous can the blinkertons finish the guidebook and travel back to the present before it s too late part of the award winning time travel guides series from the talented linda bailey and bill slavin this thrilling graphic novel combines fact and fiction to make learning about the past fun it employs a fast paced narrative that s quirky and funny and colorful detailed illustrations to create an engaging and accessible overview of the viking age key facts vetted by experts are cleverly embedded in the story through the guidebook this title makes an excellent resource for social studies and history lessons on the period covering politics and government travel and trade education celebrations and more the back of the book contains a short history of the vikings including a map as well as a bibliography further resources and an index

known for hit and run raids that struck terror into the hearts of villagers across europe during the middle ages the vikings were independent farmers but also daring explorers sailing far from scandinavia in search of new land to conquer and farm author don nardo unpacks the many myths surrounding the vikings with this comprehensive account of the their culture and impact upon the course of

history chapters approach the subject with accessible language maps and timelines to broaden student understanding and facilitate research topics discussed in this edition include the origin of the vikings conquests and expansions the nature of viking communities Norse mythology explorations of the west and the end of the viking age

through translations of their surviving writings the vikings speak directly to the modern reader in this book revealing much of their everyday feelings and concerns the vikings are shown as they saw themselves portrayed in their own writings or in the reports of people who knew them closely this book comprises of a series of translations from primary sources runic inscriptions left behind by the vikings poems of their official skalds literary works that entertained them the few prose historical accounts that derive direct from the vikings and eyewitness reports of how the northern peoples lived

completely updated to include important primary research archaeological findings and debates from the last decade this third edition of f donald logan s successful book examines the vikings and their critical role in history the author uses archaeological literary and historical evidence to analyze the vikings overseas expeditions and their transformation from raiders to settlers focusing on the period from 800 1050 it studies the vikings across the world from denmark and sweden right across to the british isles the north atlantic and the new world this edition includes a new epilogue explaining the aims of the book updated further reading sections maps and photographs by taking this new archaeological and primary research into account the author provides a vital text for history students and researchers of this fascinating people

an illustrated guide to viking warfare from strategy and weapons to culture and tradition a very excellent introduction to the viking age as a whole justin pollard historical consultant for the amazon television series vikings from the time when sailing was first introduced to scandinavia vikings reached virtually every corner of europe and even america with their raids and conquests wherever viking ships roamed enormous suffering followed in their wake but the encounters between cultures also brought immense change to both european and nordic societies in vikings at war historian kim hjardar presents a comprehensive overview of viking weapons technology military traditions and tactics offensive and defensive strategies fortifications ships and command structure the most crucial element of the viking s success was their strategy of arriving by sea attacking with great force and withdrawing quickly in their militarized society honor was everything and ruining one s posthumous reputation was considered worse than death itself vikings at war features more than 380 color illustrations including beautiful reconstruction drawings maps cross section drawings of ships line drawings of fortifications battle plan reconstructions and photos of surviving artifacts including weapons and jewelry winner of norway s saga prize vikings at war is now

available in english with this new translation a magnificent piece of work that i d recommend to anyone with an interest in the viking period
justin pollard historical consultant for the amazon television series vikings

a concise history of the vikings and their time by the norwegian historian and author of vikings at war from the ninth to the eleventh century viking ships landed on almost every shore in the western world viking ravages united the spanish kingdoms and stopped charlemagne and the franks advance in europe employing sail technology and using unpredictable strategies the vikings could strike suddenly attack with great force then withdraw with stolen goods and captives wherever viking ships roamed enormous suffering followed in their wake but the encounters between cultures changed both european and nordic societies this short history of the vikings introduces readers to this highly influential medieval society here you will learn how vikings raided across europe and even america with fascinating information about their ships weapons and armor and unique way of life

for those living outside scandinavia the viking age effectively began in 793 with an attack on the monastery at lindisfarne the attack on lindisfarne was a characteristically violent harbinger of what was in store for britain and much of europe from the vikings for the next 300 years until the final destruction of the heathen temple to the norse gods at uppsala around 1090 robert ferguson is a sure guide across what he calls the treacherous marches which divide legend from fact in viking age history his long familiarity with the literary culture of scandinavia the eddas the poetry of the skalds and the sagas is combined with the latest archaeological discoveries and the evidence of picture stones runes ships and objects scattered all over northern europe to make the most convincing modern portrait of the viking age in any language the hammer and the cross ranges from scandinavia itself to kievian rus and byzantium in the east to iceland greenland and the north american settlements in the west beyond its geographical boundaries the book takes us on a journey to a misty region inhabited by hallfred the troublesome poet harald bluetooth ragnar hairy breeches ivar the boneless and eyvind the plagiarist in which literature history and myth dissolve into one another

a major reassessment of the vikings and their legacy the vikings maintain their grip on our imagination but their image is too often distorted by myth it is true that they pillaged looted and enslaved but they also settled peacefully and traveled far from their homelands in swift and sturdy ships to explore the age of the vikings tells the full story of this exciting period in history drawing on a wealth of written visual and archaeological evidence anders winroth captures the innovation and pure daring of the vikings without glossing over their destructive heritage he not only explains the viking attacks but also looks at viking endeavors in commerce politics discovery and colonization and reveals how viking arts literature and religious thought evolved in ways unequalled in the rest of europe the age of the vikings sheds new

light on the complex society culture and legacy of these legendary seafarers

when one thinks about the vikings usually images of savage fighters arriving in longships to raid villages come to mind but the vikings weren't just violent invaders trying to steal treasure these norse warriors were also master sailors and explorers looking for new lands to farm and colonize dynamic illustrations and entertaining tales of famous vikings warriors teach readers about the lives and goals of these fierce scandinavian raiders

new in paperback remains to be seen is a fascinating series which looks at the past through the archeological evidence that remains today exploring the vikings looks at who the vikings were at their world and how they spent their time as well as their travels their voyages of discovery and their rituals and religion there are fact boxes which highlight key facts and the text is supported by a wonderful array of photographs and maps exploring the vikings also features a time line a glossary and a full index

over one thousand years ago kingdoms across europe were changed forever as the vikings sailed in prepare here to board an iconic norse ship and be transported into the battles the legacies and the everyday lives of these intrepid warriors from buried treasure to noble laws to murderouos myths this the story of the vikings the vikings were the original explorers with a legacy going back to 800 ad popular culture thinks the 1600s was the age of discovery when europe discovered the americas did you know some of the most exciting days of seafaring expansion took place close to a thousand years before that when a group of seafaring scandinavians departed their homelands for the british isles seeking great power and prosperity at all costs for the next three centuries the daring voyagers pillaged and plundered their way to a vast kingdom and in the process developed new trade routes spreading everything from commerce to art to language from the far east to the new world the pages of this book will take you into the norseman s universe their daily lives and ritual deaths we ll explore the magical mythology of the norse gods go behind the scenes of the hit history series vikings and examine their lasting legacy on the today s world we even cover pop culture too much of game of thrones was based on the vikings and countless other shows and movies too here in these richly illustrated pages is everything you need to know about the medieval warriors of the sea

the official companion book to the first three seasons of the hit history channel show inspired by a legendary viking warrior mgm s hit show vikings on the history channel has drawn millions of viewers into the fascinating and bloody world of legendary norse hero ragnar lothbrok who led viking warriors to the british isles and france covering the first three seasons of the series this official companion book delves into the real history as well as the behind the scenes stories viking historian justin pollard explains shipbuilding and navigation norse culture and religion and the first encounters between viking warriors and the kings of england and france interviews with cast and crew reveal the

process of dramatizing this gripping story from reviving the old Norse language to choreographing battle scenes and building ancient temples for human sacrifice this ebook is a must for fans of the show and history buffs alike Vikings 2015 TM Prods Ltd T5 Vikings Prods Inc Vikingstm TM Prods Ltd praise for the world of Vikings a gorgeous companion book to the hit series The World of Vikings is an excellent piece for the avid Vikings fan I highly recommend it Geeks of Doom this is a whole new way of learning about Vikings this book is full of the legends and the lifestyle with pictures to boot it is a great read for any proud Scandinavian grand forks herald
