falling is the first collection of short stories by erik van achter it was during his stay at brown university that erik first started writing various fictions dealing with the life and the way of living ivy league students most characters exist in real life some are even the writer's friends but fiction took hold of them casting a net they rarely escape from their bright lives where the sky supposedly is the limit is defied by the basic laws of human gravity some survive the fall others don't fate coincidence and destiny rule their world being well versed in short story theory erik van achter has experimented with genre's many possibilities what has interested him most is piecing together small fragments hoping a story might arise and lead a real life and an afterlife the mythical world of ivy league is just a setting in fact the human condition controlled by uncontrollable events is at the center of the tales sometimes characters literally fall but stay alive sometimes characters fall from grace looking for redemption and sadly die

in offending and desistance beth weaver examines the role of a co-offending peer group in shaping and influencing offending and desistance focusing on three phases of their criminal careers onset persistence and desistance while there is consensus across the body of desistance research that social relations have a role to play in variously constraining enabling and sustaining desistance no desistance studies have adequately analysed the dynamics or

properties of social relations or their relationship to individuals and social structures this book aims to reset this balance by examining the social relations and life stories of six scottish men in their forties weaver reveals the central role of friendship groups intimate relationships and families of formation employment and religious communities she shows how for different individuals these relations triggered reflexive evaluation of their priorities behaviours and lifestyles but with differing results weaver s re examination of the relationships between structure agency identity and reflexivity in the desistance process ultimately illuminates new directions for research policy and practice this book is essential reading for academics and students engaged in the study of criminology and criminal justice delinquency probation and criminal law
