frances luttikhuijen chronicles the arrival reception and suppression of protestant thought in sixteenth century spain referred to at that time as lutheranism it opens with several chapters describing the socio political religious context that prevailed in spain at the beginning of the sixteenth century and the growing trend to use the vernacular for parts of the mass as well as for catechizing the populace special attention is given to the forerunners that is the early alumbrado deixados the role of cardinal cisneros and the impact of erasmus and juan de valdes etc the use of archival material provides new details regarding the historical framework and the spread of evangelical thought in sixteenth century spain these dispatches and trial records greatly enrich the main body of the work which deals with the arrival and confiscation of evangelical literature the attitude of charles v and philip ii towards religious dissidents and the severe persecution of the underground evangelical circles at seville and valladolid special attention is given to the many women involved in the movement the recurrent mention of the discovery and confiscation of prohibited literature shows how books played an important role in the development of the movements the final chapters focus on the exiles and their contributions the persecution of foreigners and the years up to the abolition of the inquisition the work concludes with the efforts made in the nineteenth century to rediscover the history of the persecuted sixteenth century spanish protestants and their writings

in toledo in 1529 a converso named pedro de cazalla declared that the connection between man and god was but a thread and that

it should not be mediated by the church hardly an isolated phenomenon cazalla s inner spirituality was a widespread response to the increasing repression of religious dissent enacted by the inquisition forced baptisms of jews and muslims had profound effects across spanish society leading famous intellectuals as well as ordinary men and women to rethink their sense of belonging to the christian community and their forms of religiosity thus in this book early modern iberia emerges as a laboratory of european wide transformations
