a spectator and new statesman book of the year a revolutionary book sunday times a pulsating account that makes clear how important it is to look beneath the surface when it comes to any period or region in history but above all to china peter frankopan tls essential reading for anyone who wants to know what has shaped today's china and what the chinese communist party's choices mean for the rest of the world new statesman books of the year choice outstanding academic title 2023 from the samuel johnson prize winning author of mao's great famine a timely and compelling account of china in the wake of chairman mao in china after mao award winning historian frank dikötter explores how the people's republic of china was transformed from a backwater economy in the 1970s into the world superpower of today his account is the first to be

based on hundreds of previously unseen archival documents from the secret minutes of top party meetings to confidential bank reports unfolding with great narrative sweep this riveting richly detailed chronicle recasts our understanding of an era that both the regime and foreign admirers celebrate as an economic miracle in charting four decades of so called reform and opening up and china s emergence as a world power dikötter tells a fascinating tale of contradictions and illusions of shadow banking anti corruption drives and extreme state wealth standing alongside everyday poverty he examines china s approach to the 2008 financial crash the country s increasing hostility towards perceived western interference and its development into a thoroughly entrenched dictatorship one equipped with a sprawling security apparatus and the most sophisticated surveillance system in the world ultimately the book concludes the communist party s goal was never to join the democratic sphere but to resist it and then defeat it praise for frank dikötter and the people s trilogy harrowing and brilliant ben macintyre the historian of china spectator one of the few books that anyone who wants to understand the twentieth century simply must read new statesman the seminal english language work on the subject sunday times gripping and masterful simon sebag montefiore

an eyewitness report of major events and developments in china since 1976

china has since 1976 been enmeshed in an extraordinary program of renewal and reform the obvious changes the t shirts blue jeans makeup and jewelry worn by chinese youth the disco music blaring from radios and loudspeakers on chinese streets the television antennas mushrooming from both urban apartment complexes and suburban peasant housing the bustling free markets selling meat vegetables and clothing in china s major cities reflect a fundamental shift in the government s policy toward the economy and political life although doubts about the long term commitment to reform arose after the student protests in december 1986 and the dismissal of party general secretary hu yaobang in january 1987 the scope of reform has been so broad and the pace of change so rapid that the post mao era fully warrants den xiaoping s description of it as the second revolution undertaken by the chinese communist party

this book analyzes the post subprime crisis world from the global asian and chinese perspectives it dispels some of the myths about the crisis s effects on asia and china and exposes the ugly truth of bailout policies and their distortion and hindering of the world s economic rebalancing effort in the post subprime era

leading scholars in various fields give their views of development in the people s republic of china since 1949 with emphasis on recent decades after a broad overview of progress and setbacks specific topics covered include national political reform the chinese communist party in power the economy rural reform urban systems the environment foreign relations the people s liberation army the legal system social welfare reform intellectuals art and literature overall the volume

presents a picture of the prc that is not as healthy as optimists maintain nor in such a disastrous state as many pessimists have put forward increasingly external developments will be shaping the pace of change in the people s republic the ability of the government to continue to respond in a measured fashion to change will be necessary if the prc is to thrive in the twenty first century

nine specialists from four continents address the following questions is china moving toward the type of developmental state and sophisticated economic powerhouse associated with the east asian miracle does china s leninist political system and the heritage of a state run heavy industrial sector present too great a burden for successful transformation and what is the likelihood that china s party state will ultimately collapse in a fashion similar to the leninist governments of europe the findings and analyses should prove interesting to followers of china east asia as a whole and the european postcommunist transition

the first study to systematically analyze the patterns of china s foreign policy crisis behavior after the cold war
