this book addresses east west understandings of arab women as portrayed through translated media the vast majority of media studies on arab women are western based they study the effect of western stereotypes in western media depictions of

arab women there is a vast scholarly literature tracing western stereotypes of arab women from medieval times to the present from 1800 the dominant western stereotype of arab women depicts them as passive and oppressed thirty years of social science media research in the west has shown that media images of arab women reinforce this two hundred year old stereotype much of this research has studied silent image bites of arab women where women are pictured in veils and their own voices are replaced by western captions or voice overs this book sets out to answer this question to answer it we contracted with a global news translation service from the middle east to collect and translate a sample of 22 months of new summaries from 103 arab media sources belonging to 22 arab countries filtering the summaries that contained one or more female keywords e g woman mother aunt sister she yielded 2 061 summaries between september 2005 and june of 2007 using the 2 061 summaries as input data a coding scheme was developed for active and passive female behaviors based on verb phrase analysis and conventions of english language news reporting

in june 2018 leeds united made an appointment that shocked the footballing world despite being stuck in the second tier of english football and tagged the championship s perennial chokers they attracted one of the most revered coaches in world football what followed captivated the hearts and minds of leeds united s legion of passionate supporters worldwide marcelo bielsa has crafted a team in his image a team that plays in an almost bewildering attacking style with fluidity across the pitch leeds have become synonymous with exciting attacking vertical football and this style has seen them promoted back to the premier league professional football analyst lee scott explains how breaking down the tactics that have made leeds so successful during bielsa s time he shows just how they occupy spaces and overload defences how they press and cut off passing lanes to deny the opposition space to attack in the defensive phase and more than that he delves into bielsa s mindset to explain what makes the argentine mastermind tick

the book includes marcelo bielsa s tactics and playing philosophy for building up play from the back against high pressing teams with a full analysis of his 4 2 3 1 3 3 3 1 and 3 4 3 formations with extensive analysis of marcelo bielsa in 9 different tactical situations supported with 9 full training sessions 35 practices
