in june 2018 leeds united made an appointment that shocked the footballing world despite being stuck in the second tier of english football and tagged the championship s perennial chokers they attracted one of the most revered coaches in world football what followed captivated the hearts and minds of leeds united s legion of passionate supporters worldwide marcelo bielsa has crafted a team in his image a team that plays in an almost bewildering attacking style with fluidity across the pitch leeds have become synonymous with exciting attacking vertical football and this style has seen them promoted back to the premier league professional football analyst lee scott explains how breaking down the tactics that have made leeds so successful during bielsa s time he shows just how they occupy spaces and overload defences how they press and cut off passing lanes to deny the opposition space to attack in the defensive phase and more than that he delves into bielsa s mindset to explain what makes the argentine mastermind tick

the 3 3 1 3 is not an entirely new concept though it has become more popular in recent years due to its dynamic attacking nature in particular former chile national team coach marcelo bielsa and former barcelona and bayern munich boss pep guardiola have implemented this system with great success this book explores in detail the strengths and weaknesses of the system the roles and responsibilities of each player in both attack and defense and the permutations of the team shape against different formations and in varying situations depending on the circumstances at any one moment of the match in terms of the score the opponent s tactics time remaining etc the formation could become a 1 3 4 3 a 1 2 3 2 3 or even a 1 5 4 1 in an ultimate defensive setup this adaptability the flex is made possible by teaching players to recognize the rotations required on the fly by presenting them with very specific game situations in training in this book harrison takes

you through his training sessions geared toward developing in players the tactical and spatial awareness necessary to run the flex 1 3 3 1 3 successfully
