why has human history been crowded into the last few thousand years why has it happened at all could it have happened in a radically different way what should we make of the disproportionate role of the west in shaping the world we currently live in this witty intelligent hopscotch through human history addresses these questions and more michael cook sifts the human career on earth for the most telling nuggets and then uses them to elucidate the whole from the calendars of mesoamerica and the temple courtesans of medieval india to the intricacies of marriage among an aboriginal australian tribe cook explains the sometimes eccentric variety in

human cultural expression he guides us from the prehistoric origins of human history across the globe through the increasing unification of the world first by muslims and then by european christians in the modern period illuminating the contingencies that have governed broad historical change a smart literate survey of human life from paleolithic times until 9 11 edward rothstein the new york times

western civilization began in the middle east judaism and christianity as well as islam were born there for over a millennium the islamic empires were ahead of the west in learning technology and medicine and were militarily far more powerful it took another three hundred centuries for the west to catch up and overtake the middle east why does it seem different now why does osama bin laden see 1918 with the fall of the ottoman empire as the year everything changed these issues are explained in historical detail here in a way that deliberately seeks to go behind the rhetoric to the roots of present conflicts a brief history of the middle east is essential reading for an intelligent reader wanting to understand what one of the world s key regions is all about fully updated with a new section on the iraq invasion of 2003 the question of iran and the full context of the israeli palestine conflict

a brief history of the philosophy of time is a concise and accessible survey of the history of philosophical and scientific developments in understanding time and our experience of time it discusses prominent ideas about the nature of time plus many subsidiary puzzles about time from the classical period through the present

this bestseller is now available in its 6th reprinted edition this publication now in its 6th reprinted edition is dedicated to pioneering curators and presents a unique collection of interviews by hans ulrich obrist anne d harnoncourt werner hofman jean leering franz meyer seth siegelaub walter zanini johannes cladders lucy lippard walter hopps pontus hultén gathered together in this volume the contributions map the development of the curatorial field from early independent curating in the 1960s and 1970s and the experimental institutional programs developed in europe and in the usa at this time through documenta and the development of biennales this book is part of the documents series co published with les presses du réel and dedicated to critical writings

an effort to put in brief but permanent form the many scattered records of historic Baldwin

1 new york times bestseller published more than two decades ago to great critical acclaim commercial success a brief history of time has become a landmark volume in science writing stephen hawking one of the great minds of our time explores such profound questions as how did the universe begin and what made its start possible does time always flow forward is the universe unending or are there boundaries are there other dimensions in space what will happen when it all ends told in language we all can understand a brief history of time plunges into the exotic realms of black holes and quarks of antimatter and arrows of time of the big bang and a bigger god where the possibilities are wondrous and unexpected with exciting images and profound imagination stephen hawking brings us closer to the ultimate secrets at the very heart of creation

thorough coverage and thoughtful analysis of each presidency from theodore roosevelt to bill clinton school library journal
