joseph conrad is one of the most intriguing and important modernist novelists and short story writers whose writing continues to

preoccupy readers conrad combined his unique personal background as a polish emigre his personal experiences and voyagings as a seaman and his literary readings with the tradition of his adopted country to produce literary works and fictions which blended with his distinctive taste gave the english novel a further originality and development this study which primarily concentrates on four of conrad s major works heart of darkness lord jim the secret sharer and the shadow line shows that conrad conceives voyaging as a symbolic means an insight and vision into the human psyche it becomes a journey into the inner world of man s psychological diving into his inner world of the self in quest of truth of self identity self knowledge and self control
