war trials tells the gripping and in depth true story of a british soldier s role in the drowning of an iraqi teenager in may 2003 the devastating investigation and resulting court martial this narrative non fiction tracks the soldier s life from tight

knit broken family home in merseyside through deadly urban conflict in the middle east to a different battle fought against ptsd while he awaited a military tribunal back in the uk the military court case in 2006 marked the first of its kind relating to the iraq war and a case that opened the flood gates of multiple investigations and inquiries into the conduct of soldiers overseas based upon rigorous new research this book s untold personal story explores the horrors of battle and the chaos of a post war city and a young soldier s struggle against depression suicide attempts and deep sense of being let down by the army he sought to serve this soldier would eventually endure numerous investigations and face the threat of the international criminal court for war crimes but these are the shocking events that started it all it is the compelling story of a contentious military campaign with little preparation for the disastrous fall out the soldiers pushed to the limit who maintained a wall of a silence after doing the unthinkable and a floating body of dead child who came to symbolize a generation lost to war

this book brings together research on police integrity on regions worldwide the results for each country indicate whether police officers know the official rules how seriously they view police misconduct what they think the appropriate and expected discipline for misconduct should be and how willing they are to report it police misconduct refers to everything from corruption and use excessive force to perjury falsification of evidence and failure to react police integrity and police misconduct are topics of great concern worldwide police integrity is envisioned as the inclination to resist temptations to abuse the rights and privileges of police occupation using their extensive experience studying police integrity in the united states the editors have created an applicable framework for measuring police integrity in other countries the results of their research are brought together in this timely volume including contributions from both established democracies and countries in transition which each present unique challenges for improving police integrity each chapter follows the same format and contains a theoretical analysis of the relevant legal historical political social and economic conditions in the country followed by the analyses of empirical results and policy recommendations in the last chapter editors kutnjak ivković and haberfeld take a comparative look across the countries by engaging in the in depth comparative analysis this work will be of interest to researchers and policy makers studying policing both in the united states and internationally presenting a theoretical framework that can be applied to other regions for further research
