publisher description

a climate catastrophe can be avoided but only with a rapid and sustained investment in companies and projects that reduce greenhouse gas emissions to the surprise of many this has already begun investors are abandoning fossil fuel companies and other polluting industries and financing businesses offering climate solutions rising risks evolving social norms government policies and technological innovation are all accelerating this movement of capital bruce usher offers an indispensable guide to the risks and opportunities for investors as the world faces climate change he explores the role that investment plays in reducing emissions to net zero by 2050 detailing how to finance the winners and avoid the losers in a transforming global economy usher argues that careful examination of climate solutions will offer investors a new and necessary lens on the future for their own financial benefit and for the greater good companies that reduce greenhouse gas emissions will create great wealth and more importantly they will provide a lifeline for humanity grounded in academic and industry research usher's insights bring clarity to a complex and controversial topic while illuminating the people behind the numbers this book sets out a practical and actionable plan for investors that will alter the course of climate change

an illuminating analysis of the long and ongoing struggle of women in america to gain political equality and bring about change in public policy women and political participation examines the involvement of women in american politics concentrating mainly on their participation since the birth of the second women's movement in the late 1960s from the creation of grassroots and national organizations to voting and running for office this thought provoking volume explores the diverse ways in which women have affected change and achieved greater representation in political leadership detailed discussions of key documents like the declaration of sentiments and the equal rights amendment political action committees such as emily's list which supports pro choice democratic female candidates margaret sanger betty friedan and other activists and groups like the league of women voters reveal the complexities of women's efforts to gain equality and identify the barriers that remain today

critical presentation of the whole evidence concerning jewish history institutions and literature from 175 bc to ad 135 with updated bibliographies

contrary to warnings about the dangers of populism donald f critchlow argues that grassroots activism is essential to party renewal within a democratic system grassroots activism presenting a cacophony of voices calling for reform of various sorts without programmatic coherence is often derided as populist and distrusted by both political parties and voters but according to donald t critchlow grassroots movements are actually responsible for political party transformation both democratic and republic into instruments of reform that reflect the interests concerns and anxieties of the electorate contrary to popular discourse warning about the dangers of populism critchlow argues that grassroots activism is essential to party renewal within

a democratic system in defense of populism examines movements that influenced republican democratic and third party politics from the progressives and their influence on teddy roosevelt to new dealers and fdr to the civil rights feminist and environmental movements and their impact on the democratic party to the reagan revolution and the tea party in each case critchlow narrates representative biographies of activists party leaders and presidents to show how movements become viable calls for reform that get translated into policy positions social tensions and political polarization continue to be prevalent today increased social disorder and populist outcry are expected whenever political elites and distant bureaucratic government are challenged in defense of populism shows how as a result of grassroots activism and political party reform policy advances are made a sense of national confidence is restored and the belief that american democracy works in the midst of crisis is affirmed
