highlights the brilliant and sometimes gloriously imperfect creations that laid the groundwork for the medium's later artistic achievements and the broader acceptance of comic books in the cultural landscape today

billy batson discovers a secret in a forgotten subway tunnel there the young man meets a wizard who offers a precious gift a magic word that will transform the newsboy into a hero when billy says shazam he becomes captain marvel the world's mightiest mortal one of the most popular comic book characters of the 1940s this book tells the story of that hero and the writers and artists who created his magical adventures the saga of captain marvel is also that of artist c c beck and writer otto binder one of the most innovative and prolific creative teams working during the golden age of comics in the united states while beck was the technician and meticulous craftsman binder contributed the still human voice at the heart of billy's adventures later in his career beck like his friend and colleague will eisner developed a theory of comic art expressed in numerous articles essays and interviews a decade after fawcett publications settled a copyright infringement lawsuit with superman's publisher beck and binder became legendary celebrated figures in comic book fandom of the 1960s what beck binder and their readers share in common is a fascination with nostalgia which has shaped the history of comics and comics scholarship in the united states billy batson's america with its cartoon villains and talking tigers remains a living archive of childhood memories so precious but elusive as strange and mysterious as the boy's first visit to the subway tunnel taking cues from beck's theories of art and from the growing field of memory studies captain marvel and the art of nostalgia explains why we read comics and more significantly how we remember them and the america that dreamed them up in the first place

this book explores representations of wonder woman and captain marvel in comics and film as well as political struggles over these works to illuminate contemporary cultural concerns about gender sexuality race migration imperialism and war it focuses on the only two female superheroes who have long histories grounded in feminist activism and military service and who have starred in blockbuster origin films at a time when resurgent progressive activism has been met by an emboldened backlash against movements for equality interdisciplinary and intersectional the book employs insights from political science and political economy feminist theories critical race theory postcolonial theory and queer theory to explore how these characters feminism

---

and militarism render them particularly appealing and profitable in contentious times this is a concise accessible text suitable for students and scholars in comics studies media studies film studies and women s and gender studies

this book considers how the long standing superhero genre has been reinvigorated in the twenty first century as an interlocutor of security and surveillance discourses following the events of 9 11 while superheroes have a long cultural history schmid argues that their contemporary representations in hollywood films and tv shows create and deepen specific discourses on security terrorism and violence he shows how the marvel cinematic universe and the dc extended universe in particular are important artefacts that can help us to understand how these discourses are popularised and ultimately normalised the book offers a rich account of the emergence of superheroes against the backdrop of america s history since its founding in 1776 and their rise to popularity through comic books since the 1930s analysing the connections between superheroes foreign policy and security from 9 11 to the present it demonstrates the significance of superheroes for the construction of heroism and security in contemporary times
