the author reveals a thousand year old plot to suppress mary magdalene s mythical role in the church retracing several cults within the church that were brutally suppressed reprint

the gospels of mary presents english translations of the earliest and most reliable texts that shed light on mary magdalene texts that unveil her importance as jesus s beloved disciple and an apostle and evangelist in her own right a figure whose importance for christianity is only now emerging from the shadows of history after years of suppression by the early church marvin meyer s translation of the gospel of mary and several other mary related texts including passages from the new testament gospels reveals a vibrant oral tradition in which mary magdalene is not only a follower of jesus but also his companion and closest disciple an interpretive essay by esther de boer a respected scholar of the gospel of mary places meyer s translation in context marvin meyer is the foremost expert on the nag hammadi texts and the texts about jesus outside the new testament he is griset professor of bible and christian studies and co chair of the department of religious studies and

director of the albert schweitzer institute at chapman university orange ca he is also the author of the gospel of thomas and the gnostic gospels of jesus an excellent compilation of all the earliest texts both gospels and apocrypha in which mary magdalene appears showing her importance to the early church and highlighting her powerful roles as disciple apostle and companion of christ susan haskins author of mary magdalene myth and metaphor

apocryphal gospels of early christianity unlocking the secrets of lost scriptures and forbidden truths for centuries the bible has told only part of the story but what if the most profound teachings of jesus and his earliest followers were hidden silenced or deliberately erased apocryphal gospels of early christianity takes you deep into the lost scriptures and forbidden writings that reveal a forgotten side of early christianity one that reshapes how we understand faith history and truth inside this book you ll discover the suppressed gospels and apocryphal texts excluded from the bible how councils and rulers chose which books survived and which were buried the influence of ancient writings like the book of jubilees and the watchers the hidden role of women and the divine feminine in the first christian communities the radical spiritual insights that challenged political and religious authority this is more than a history of banned texts it s an invitation to rediscover the spiritual wisdom the world was never meant to see whether you re a seeker a believer or simply curious about the origins of christianity this book will inspire challenge and awaken your understanding of faith if you ve ever asked what did they hide and why the answers are here perfect for readers interested in early christian studies lost gospels biblical archaeology and hidden wisdom traditions apocryphal gospels of early christianity is a powerful exploration of the scriptures they tried to silence

claire nahmad and margaret bailey re evaluate the significance of mary magdalene and cast her in an entirely new light they have discovered that not only was she wife to jesus christ and mother to his child but she was his spiritual equal and their partnership exemplified the crucial balance of male and female in spiritual and worldly life jesus gave her the title of magdalene which means both tower and magnificent because he recognized her as his consort and co teacher however mary s role was re written by the early church and it is only now that her secret teachings can be made known thanks to the revelation to the authors of the lost verses of the gospel of mary through their skills of inner listening her teachings are not religious in the narrow sense they are spiritual and accessible to everyone they not only reveal the hidden key to unlocking the powers of the soul which is the next stage of development for humanity but also signal the beginning of a new age in which the sacred feminine assumes its rightful place

it would be difficult to imagine anyone reading this book without finding some new insight or inspiration some new and unexpected testimony to the astonishing breadth of christianity through the centuries philip jenkins author of the lost history of christianity interesting insightful illuminating and remarkably relevant marcus borg author of the heart of christianity in the tradition of howard zinn comes a new history of christianity that reveals its bottom up movements over the past 2 000 years which preserved jesus s original message

of social justice and how this history is impacting the church today

magdalene the bearer of the sacred feminine magdalene the bearer of the sacred feminine is a transformational guide for those seeking to awaken feminine spiritual power and reclaim the lost wisdom of mary magdalene through 33 symbolic portals nora hughes weaves gnostic gospel teachings sacred rituals and inner alchemy practices into a powerful path of spiritual initiation this book blends esoteric christian mysticism with archetypes of the sacred goddess offering a profound exploration of mystic feminine consciousness readers will be guided to reconnect with the sacred feminine heal from within and embody divine presence in daily life perfect for seekers of divine feminine healing and sacred feminine awakening magdalene is more than a book it's a living transmission of spiritual empowerment and ancient truth discover the voice of mary magdalene anew and step into the radiant path of feminine soul wisdom

the divine the banal the commercial what holidays are all about

a careful study of christian origins and detailed analysis of all the canonical apocryphal and gnostic gospels in which mary magdalene appears considered the first apostle of christianity by early christians the author explains why the patriarchs of the early church found it necessary instead to reinvent mary as a wanton woman rather than jesus most favored disciple

a gospel as ancient and authentic as any of the gospels that the christian bible contains was buried deep in the egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed fortunately some rebel monks were wise enough to refuse and thanks to their disobedience and spiritual bravery we have several manuscripts of the only gospel that was written in the name of a woman the gospel of mary magdalene

in the tree in the lightworld the author examines the vine symbol in mandaeism the only surviving gnostic religion from ancient times most madaeans still live in their traditional areas in southern and southwestern iran the book shows how the vine is a significant symbol in this religion and that it occurs very often in madaean literature compared to other gnostic and jewish writings the motif provides a broad variety of meanings with the tree of life as the most important symbolic content additionally the book shows how the vine symbol is also connected to both dark and light beings in the universe and the author looks at the striking parallels between the madaean vine and jesus famous words about the vine in the gospel of john

the relationship between theology and film has always been a complicated one when film was invented at the end of the nineteenth century it quickly gained its place in popular culture far from the orthodoxies of the scholarly world and of the church for the better part of the twentieth century popular cinema was considered off limits for serious studies of bible and culture recently however there has been a growing understanding of how the bible is being used in popular culture not as a historical document or as an authoritative canon but as part of the cultural intertext cinema is a vivid example of the role and impact of the bible

in contemporary society in this well theorized collection of essays the issue is treated from several angles using the methodology of theology the question of the alleged escapism of popular cinema is explored using the methodology of media studies the impact of the media on religious communication is analysed and using the methodology of religious studies the influence of the cinema in the creation of new religions religious behaviour and religious institutions is investigated in addition the book offers fruitful analyses of the cinematic use of biblical themes such as eden salvation mary magdalene and jesus as well as of the cinematic application of ethical themes such as truth telling personal growth suffering the accomplishment of good and the creating of meaning for human beings
