the law is nature the law is only a word for what has a right to happen when the law is wrong it is because it is unnatural but in this case it is natural and a river will drown you if you buck it now let her go and bless her set among italian americans on the brooklyn waterfront a view from the bridge is the story of longshoreman eddie carbone when his wife's cousins arrive as illegal immigrants from italy he is honoured to take them into his house but when his niece begins to fall in love with one of them eddie grows increasingly suspicious eventually precipitating his violation of the moral and cultural codes of his community and leading to the play's tragic finale with its examination of the themes of sexuality responsibility betrayal and vengeance a view from the bridge is miller at his best and a modern classic this new edition includes an introduction by julie vatain corfdir that explores the play's production history as well as the dramatic thematic and academic debates that surround it a must have resource for any student exploring a view from the bridge

istanbul's galata bridge has spanned the golden horn since the sixth century ad connecting the old city with the more western districts to the north but the bridge is a city in itself peopled by merchants and petty thieves tourists and fishermen and at the same time a microcosmic reflection of turkey as the link between asia and europe geert mak introduces us to the woman who sells lottery tickets the cigarette vendors and the best pickpockets in europe he tells us about the pride of the cobbler and the tea seller's homesickness and he describes the role of honor in turkish culture the temptations of fundamentalism and violence and the urge to survive even in the face of despair these stories of the bridge's denizens are interwoven with vignettes illuminating moments in the history of istanbul and turkey and shedding light on turkey's relationship with europe and the west the armenian question the migration from the turkish countryside to the city and the demise of the ottoman empire

official records produced by the armies of the united states and the confederacy and the executive branches of their respective governments concerning the military operations of the civil war and prisoners of war or prisoners of state also annual reports of military departments calls for troops correspondence between national and state governments correspondence between union and confederate officials the final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published accompanied by an atlas

this book is about the daily life of a group of homeless people who live in camps under some freeway bridges in downtown los angeles it is what is called a narrative ethnography that is it consists primarily of what the author said to them and what they said to him as a research project in the department of psychiatry at ucla underwood documented conversations with these homeless people for two and one half years the ethnography unfolds in chronological order to allow the reader to learn about the bridge people the way the author did [1] one day at a time underwood witnessed the sights sounds and smells of this particular form of extreme poverty and developed his research into a discussion of how these people view their existence and the world around them the author also relates his experience with democratic and humanistic ideals of today
