my father s shoes is at its core an anthology of short stories the book is allegoric and the shoes are metaphoric unlike most anthologies however these stories are an amalgam of themselves they integrate and coalesce there is a rhythm and a cadence both in substance and in form this book was initially written as a gift to my father i wanted to share certain memories with him that were meaningful and lasting i wanted him to know from my perspective just how important he was in my life he never really understood the profound impact that he had on the lives of other people especially his family because of that humility or perhaps in honor of it i wanted to him know that he truly made a difference in this world as others read the manuscript they seemed to recognize something of themselves in these stories a memory a passage an incident a feeling as they did i became more comfortable with sharing these vignettes of family life in the end this book is really more about me than my father but even more than that it is about appreciating every circumstance in life however mundane or unremarkable it may seem at the time these

análisis crítico con un enfoque multidisciplinario único hasta ahora en México de las oportunidades y desafíos de los derechos humanos los autores aquí reunidos analizan los derechos humanos como una práctica social que se realiza en medio de relaciones asimétricas de poder en el marco del ya convulsionado siglo xxi pensados como un discurso que se convierte en práctica social y en campo de disputa para la definición de significados los derechos humanos pueden generar marcos de oportunidad para la transformación político social pero también pueden constituir un obstáculo para el cambio y la construcción de subjetividades emancipadas
