this study offers a novel view of conference interpreting by looking at eu interpreters as a professional community of practice in particular duflou's work focuses on the nature of the competence conference interpreters working for the european parliament and the european commission need to acquire in order to cope with their professional tasks making use of observation as a member of the community in depth interviews and institutional documents she explores the link between the specificity of the eu setting and the knowledge and skills required her analysis of the learning experiences of newcomers in the professional community shows that eu interpreters competence is to a large extent context dependent and acquired through situated learning in addition it highlights the various factors which have an impact on this learning process using the way dutch booth eu interpreters share the workload in the booth as a case duflou demonstrates the importance of mastering collaborative and embodied skills for eu interpreters she thereby challenges the idea of interpreting competence from an individual

cognitive accomplishment and redefines it as the ability to apply the practical and setting determined know how required to function as a full member of the professional community

mansfield park is in essence a tapestry of allusions to various works of literature and events in history to which jane austen left abundant clues this book is about finding and interpreting those clues works of literature alluded to include among others spenser s the faerie queene dante s inferno and milton s paradise lost events in history alluded to include the slavery issue of jane austen s day the american revolution the battle of actium the battle of trafalgar and the then looming war of 1812

chinese translation studies in the 21st century which presents a selection of some of the best articles published in the journal perspectives in a five year period 2012 2017 highlights the vitality of translation studies as a profession and as a field of enquiry in china as the country has gradually opened up to the west translation academic programmes have burgeoned to cater for the needs of chinese corporations and political institutions the book is divided into four sections in which authors explore theoretical and conceptual issues such as the connection between translation and adaptation multimodality and the nature of norms audiovisual translation including studies on news translation and the translation of children s movies bibliographies and bibliometrics to assess for example the international visibility of chinese scholars and interpreting analyzing pauses in simultaneous interpreting and sign language among other aspects the book brings together well established authors and younger scholars from universities in mainland china hong kong macao and taiwan the chapters in this book were originally published in various issues of perspectives studies in translatology

a summary study of sri chaitanya charitamrita taking the role of his own devotee lord sri krishna appeared as sri krishna chaitanya about five centuries ago in bengal india and began a great social and spiritual revolution that has profoundly affected the lives of millions worldwide his conversations with the great scholars kings and mystics of the day form the basis of teachings of lord chaitanya

professor riccardo moratto and professor hyang ok lim bring together the most authoritative voices on korean interpreting the first graduate school of interpretation and translation was established in 1979 in south korea since then not only has the interpretation and translation market grown exponentially but so too has research in translation studies though the major portion of research focuses on translation interpretation has not only managed to hold its own but interpretation studies in korea have been a pioneer in this field in asia this handbook highlights the main interpretation research trends in south korea today including case studies of remote interpreting during the covid 19 pandemic korean interpreting for conferences events and diplomacy and research into educating interpreters effectively an essential resource for researchers in korean interpreting this handbook will also be very valuable to those working with other east asian languages
