riley aiken a homeland security investigations agent wasn't looking to be rescued especially not while stuck halfway through an attic window at her neighbor's house but when she came face to face with her neighbor's son who had the sexiest grin and a

reputation for leaving a trail of broken hearts she didn't expect to feel a spark that turned one unexpected meeting into the beginning of something she couldn't walk away from. U.S. Navy SEAL Carson Nails Torres had a habit of keeping things casual. Relationships included. He lived for the mission, not messy emotions. But when he came home on leave and found his mom's gorgeous neighbor stuck halfway through the attic window, teal panties on full display and sass dripping from her mouth, something shifted. Just when they think their encounter was a one-time spark, they're forced together on a dangerous undercover mission to find a missing congressman's daughter, last seen in an exclusive gentleman's club overseas with ties to a human trafficking ring. As Riley and Nails navigate a web of danger, deception, and desire, the heat between them intensifies, and staying professional becomes harder by the second. But when Riley draws the attention of the club's powerful owner, the stakes skyrocket. Can the team uncover the truth before Riley disappears into the same shadows they were sent to expose?

Ava Morgan knows hardship better than most. Raised in the foster care system, she's turned her painful past into a calling as a social worker, fiercely advocating for kids like fifteen-year-old Christian, a teen who reminds her all too much of herself. When she meets rugged Navy SEAL Ty Aussie Mitchell at a college fair, his bold charm and steady gaze stir something in her heart that she thought was long buried. But just as things start to heat up between them, Christian finds himself on the radar of a dangerous local gang that doesn't take no for an answer. Determined to protect Christian, and Ava, Aussie is thrown into a treacherous game of cat and mouse where every move could end in disaster. As threats close in and the gang's tactics turn ruthless, Aussie knows he must take them down before they get to the people that he's sworn to keep safe. But with the clock ticking and danger at every turn, will Aussie and his team be able to protect the woman he's falling for and the young man she and he vowed to protect? Or will he lose them both to a world where loyalty only runs as deep as blood?
