written by the late dave thomas the widely known founder of wendy's and franchising consultant michael seid this is a comprehensive and reliable resource for anyone interested in purchasing a franchise

hotel law transactions management and franchising presents a practical guide to the issues that face lawyers and industry leaders working in the hospitality field. it aims to develop the reader's understanding of the acquisition process and the complex relationships in management and franchise deals that dominate the hotel industry. this text is written primarily as a desktop reference for legal practitioners working in the hotel law field and is also suitable for students studying towards hotel and hospitality careers both at an undergraduate and law school or graduate level. the highly experienced author contributors and editors offer insights into the industry players and their preferred positions, desired outcomes, and the potential pitfalls that can ensnare even the most well-planned deals. with broad coverage of the rapidly growing field of hospitality law including gaming, recreation, and amenities, the book's approach examines the dominant models of hotel ownership, management, and franchising and includes independent hotels and the move towards complex resorts. the book's coverage of key legal topics ranges from real estate to intellectual property, contracts, and finance. hotel law will give readers an understanding of the hospitality industry from the perspective of the transactional practitioner while examining the multi-party relationships and agreements that develop between an owner, operator, licensor, and lender.

hospitality law: managing legal issues in the hospitality industry, fifth edition takes an applied

approach to the study of hospitality law with its touchstone of compliance and prevention the book is highly pedagogical and includes many interactive exercises and real world cases that help students focus on the practical application of hospitality laws and model their decision process to avoid liability as a result this book does look different than others on the market as the legal information contained is carefully selected to specifically correlate with helping students understand how to do the right thing i.e. it is not a comprehensive book on the laws but it immediately helps readers learn about the legalities of situations and work through exercises both individually and in groups to effectively apply them to hospitality management situations many instructors teach their course from a very applied perspective which aligns with the book's approach.

fundamentals of franchising is charged with useful definitions practical tips and expert advice from experienced practitioners written specifically to help lawyers and non-lawyers brush up on franchise law this practical guide examines franchise law from a wide range of experiences and viewpoints each chapter is written by two experienced practitioners and provides you with a well-rounded overview of franchise law and alerts you to issues that may require further research or expertise.
