understanding business by nickels mchugh and mchugh has been the number one textbook in the introduction to business market for several editions for three reasons
1 the commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience 2 we listen to our
customers and 3 the quality of our supplements package we consistently look to the experts full time faculty members adjunct instructors and of course students to
drive the decisions we make about the text itself and the ancillary package through a series of focus groups symposia as well as full book single chapter revised
manuscript reviews of both text and key ancillaries we have heard the stories of more than 600 professors and their insights and experiences are evident on every
page of the revision and in every supplement as teachers of the course and users of their own materials the author team is dedicated to the principles of excellence in
business education from providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today s real business issues to
creating groundbreaking and market defining ancillary items for professors and students alike understanding business leads the way

focussing on the way in which relationships at various levels underpin international business activities this core textbook presents a contemporary and realistic analysis
of international business in action the concept of change permeates the text highlighting the dynamic and often turbulent nature of international business and

management the book brings together many operational aspects of ib covering topics such as market entry decision making marketing strategy international hr supply chain management and the role of culture in ib thus providing a good overview of the various practical and operational issues that firms must consider as they internationalise their operations this is the ideal companion for undergraduate and postgraduate business students taking modules in international business or international management
