this is a compilation of references to family history and temple work from the bible book of mormon doctrine and covenants pearl of great price and modern church leaders also there is a chapter on faith promoting stories from family history experiences and a chapter on family stories and descendant charts of the grigg family there is information on how modern research techniques using computers digitizing of records and the internet facilitates the researching and finding of your ancestors the last chapter is an update and republishing of the the book titled parley m grigg jr and thankful halsey gardners descendants and history published in 1992 this correlated publication shows that in all ages of the world since the creation of adam god has desired his holy ordinances to be done in a house built to his name namely a temple of god this compilation is also designed to show that jesus plan of redemption for all mankind includes vicarious ordinance work for the dead to be done in gods holy temples by those living in the dispensation of the fullness of times this was all in gods plan for the redemption of all mankind before the foundation of this world

robertson family

patrick calhoun immigrated to america in 1733 from ireland

this is a genealogical history of the mckneely families of south carolina georgia and louisiana there are two branches to this scotch irish family with this unique spelling one that migrated from south carolina to georgia and then on to texas and other parts of the expanding united states of america then there is the branch that left south carolina in the late 1700s and early 1800s with other families and settled in what at the time was west florida this area then was taken into the united states of america with the purchase of florida from spain and then became a part of louisiana the louisiana branch resided in the parishes called the florida parishes and stayed close to the area until after the first world war when the family began to migrate into other parts of the united states you will find in this book two parts one part covers the mckneely family that migrated to the florida parishes of louisiana and the second part that covers the mckneely family that first migrated to georgia and then to oklahoma and texas there is speculation but no

proof that the two lines come from the common immigrant ancestor james mcnealy with various spellings of mcnealy look at the information and decide for yourself whether or not two lines could adopt a common spelling change come from south carolina and have common names and not be related to the common ancestor attached to the louisiana mckneely clan i have attempted to include as much detail as possible about each person personal stories are the spice of a genealogical work i have included as many as possible and included them without edit i am not a politically correct family historian there may be some factually correct material that you may not like or that someone might tell you is not correct please read this account with the times and culture in mind as that is what makes the story a good one do not try to impress yourself on the story but put yourself into the times and places

click here to visit volume i of this book this volume continues the story of the american family started in the 18th century by john broome and rebecca lloyd in new york a street in new york city a county in new york state and a town in new york are named for john broome volume ii contains the stories of the 6th and 7th generations of the broome family up to the 21st century plus there are histories for multiple generations of related families volume ii also contains the source endnotes for all of the generations of all of the families in both volumes and the bibliography for both volumes each volume has its own index in addition to the broome family volume ii has stories of the families of allen calnon dolan farley faulkner geiss hallowell judge keyworth laughlin livingston nevins orme reidy riley schereschewsky schilling schwarz toole turk vagliano valley velasquez and many more and in ireland breheny o gara and o hare photographs of some individuals and family homes are included see where and how these families lived the wealthy and those of modest means get public glimpses into private lives
