this book examines the many theories of preferred landscape over the last half century and
informs those readers teaching or in landscape practice of the main lines of argument so
that they can make up their own minds

the roots of environmental aesthetics reach back to the ideas of eighteenth century
thinkers who found nature an ideal source of aesthetic experience today having blossomed
into a significant subfield of aesthetics environmental aesthetics studies and encourages
the appreciation of not just natural environments but also human made and human

modified landscapes nature and landscape is an important introduction to this rapidly growing area of aesthetic understanding and appreciation allen carlson begins by tracing the development of the field s historical background and then surveys contemporary positions on the aesthetics of nature such as scientific cognitivism which holds that certain kinds of scientific knowledge are necessary for a full appreciation of natural environments carlson next turns to environments that have been created or changed by humans and the dilemmas that are posed by the appreciation of such landscapes he examines how to aesthetically appreciate a variety of urban and rural landscapes and concludes with a discussion of whether there is in general a correct way to aesthetically experience the environment

the aesthetics of everyday life originally developed by henri lefebvre and other modernist theorists is an extension of traditional aesthetics usually confined to works of art it is not limited to the study of humble objects but is rather concerned with all of the undeniably aesthetic experiences that arise when one contemplates objects or performs acts that are outside the traditional realm of aesthetics it is concerned with the nature of the relationship between subject and object one significant aspect of everyday aesthetics is environmental aesthetics whether constructed as a building or manipulated as a landscape others also discussed in the book include sport weather smell and taste and food
