ann kingsolver presents stories people have told about nafta young people and old urban and rural with differing political perspectives occupations and other markers of identity that demonstrate their expectations and imaginations of the sweeping trade agreement nafta kingsolver contends both before and after its passage became a catch all in public discourse for tensions related to neoliberal policies and to economic and cultural processes of globalization the storytellers in her book from mexico kentucky and california imagined the meaning and possible effects of regional integration on topics ranging from agriculture to the stereotyping of workers to national sovereignty and identity nafta became invested with possibilities far beyond the scope of

its literal provisions kingsolver analyzes the metaphorical meanings attributed to nafta whether a giant truck in your rear view mirror in ralph nader s words or a panacea for what they tell us about the changing relationship between national governments and their publics she finds that rather than strengthening national authority the passage of nafta led to intense public questioning and deep political divi

in the past two decades changes in the mexican government s policies toward the 30 million mexican migrants living in the us highlight the importance of the mexican diaspora in both countries given its size its economic power and its growing political participation across borders this work examines how the mexican government s assessment of the possibilities and consequences of implementing certain emigration policies from 1848 to 2010 has been tied to changes in the bilateral relationship which remains a key factor in mexico s current development of strategies and policies in relation to migrants in the united states understanding this dynamic gives an insight into the stated and unstated objectives of mexico s recent activism in defending migrants rights and engaging the diaspora the continuing linkage between mexican migration policies and shifts in the us mexico relationship and the limits and possibilities for expanding shared mechanisms for the management of migration within the nafta framework

a study of how a nation s comics artists grapple with economic upheaval
