this book explores the extraordinary proliferation of novels based on henry james s life and works published between 2001 and 2016 the centenary of his death part one concentrates on biofictions about james by david lodge and colm tóibín and those written from the perspective of the key female figures in his life part two explores appropriations of the portrait of a lady the turn of the screw and the ambassadors the book articulates the developments in biographical and adaptive

writing that enabled millennial writers to engage so explicitly with james locates the sources of his appeal and explores the different forms of engagement taken layne analyses how these manifestations of james s legacy might function differently for knowing versus unknowing readers and how they might perform the role of literary criticism overarching themes include ideas of queering the concern with seeking redress and the frustrated quest for origin authenticity or the real thing

this study examines theological themes and resonances in post 1970 gothic fiction it argues that contemporary gothic is not simply a secularised genre but rather one that engages creatively and often subversively with theological texts and traditions this creative engagement is reflected in gothic fiction s exploration of theological concepts including sin and evil christology and the messianic resurrection eschatology and apocalypse through readings of fiction by gothic and horror writers including stephen king joyce carol oates peter straub william peter blatty and others this book demonstrates that christianity continues to haunt the gothic imagination and that the genre s openness to the mysterious numinous and non rational opens space in which to explore religious beliefs and experiences less easily accessible to more overtly realist forms of representation the book offers a new perspective on contemporary gothic fiction that will be of interest to students and scholars of contemporary gothic and of the relationship between literature and religion more generally

it is inspiring to have a new collection of eugene goodheart s critical essays he is one of our best our most useful critics w b yeats spoke of the need to hold reality and justice in a single thought goodheart knows the need and works hard to fulfill it he never struts in the presence of the book he is reading but is always as if by nature and on principle attentive acute alive to the issues no writer could ask for a better reader or a more conscientious intelligence denis donoghue new york university an important debate in modern literary criticism concerns the exact relationship between the ancient epic and the novel both the epic and the most ambitious modern novels are large scale attempts to present a comprehensive view of the world through the experience of a representative hero however in the older tradition the hero stood for the aspirations and highest ideals of his society the protagonist of the modern novel is usually at odds with that society whether as exile active rebel or antagonistic critic in novel practices the distinguished literary scholar eugene goodheart surveys a representative selection of modern novelists tracing how the epic impulse has been reshaped under the conditions of modernity goodheart describes how george eliot and james joyce s comprehensive artistic creation enabled them to demonstrate a mastery of the world unattainable to their thwarted flawed or feckless heroes and heroines works such as middlemarch and ulysses encyclopedic in their inclusiveness

share an ambitious scope that is virtually synonymous with epic goodheart shows that even in shorter works such as james s the beast in the jungle and ford maddox ford s the good soldier the standard of the epic hero acts as an ironic subtext a chapter on thomas mann provides a european perspective enacting conflict between self and society through a dramatized contest of ideas goodheart explores ambiguities of point of view as characteristic of modern uncertainty how much authority or reliability should the reader concede to the narrator what is the relationship between the narrator and the author these and related questions are addressed in chapters on lawrence james bellow woolf and roth which also deal with the place of literary biography in understanding fiction goodheart s approach centers on fiction and although he takes cognizance of the critical theory of the past several decades he nevertheless emphasizes the centrality of the author and authorial intention novel practices will be essential reading for students of literature culture and intellectual history eugene goodheart is edytha macy gross professor of humanities emeritus at brandeis university his books include modernism and the critical spirit and culture and the radical conscience both available from transaction
