the haunting story of a girl lost in the cracks of the system and forced to spend more than ten years as the prisoner of her school's security guard provides insight into Kach's emotional state and the state of a criminal justice system that allowed her ordeal to happen

when the news broke in May 2013 that three women had been held captive for over ten years in Cleveland, Ohio, the world was stunned. Not only had the women been imprisoned in an ordinary house a few blocks from where they had disappeared, but their captor, Ariel Castro, had never been a suspect in their kidnapping. The revelation sent shockwaves through the community and sparked widespread fear among the inhabitants of seemingly normal neighbourhoods everywhere. This is not a standalone case. In 2008, 42-year-old Elisabeth Fritzl emerged from the cellar of her family home in Austria, having been imprisoned and raped by her father for 24 years. In the UK, the British Fritzl held his two daughters captive for 28 years, moving frequently enough not to raise suspicion and fathered seven children by them. In this gripping book, Al Cimino explores the appalling truth behind these and several more cases of the disappeared, delving into the depths of human depravity that enabled such cruel acts and shining a light on the courage, fortitude, and tenacity of the survivors. This is a tribute to those victims and a testament to the strength of human spirit as well as a forensic study of a particularly heinous crime.

Cybersex: a nightmare of the 21st century. The rebirth of Armageddon seeks to address the physical, mental, psychological challenges and social dynamics that teenagers, parents, and society are faced with every day resulting from their daily encounter with the internet and overindulgence in the world of cybersex. The cybersex phenomenon avails ample opportunity for young people to navigate their way through viral and social networking sites and chat rooms without their parent's consent. This exposes them to peril, leaving them vulnerable as well as providing a great hiding place for pedophiles and psychopathic sexual predators. The book is very educational and touches all spectrum of life. It provides strategic guidelines drawn from real-life scenarios. It will also provide tips and red flags to protect young people from unknown sexual predators pervading the internet. Now is the time to curb this menace, jeopardizing the future of our children and the well-being of our society and make the world a much better place.

David Lynch wurde berühmt durch Filme wie Blue Velvet und Dune oder die Serie Twin Peaks. Er gilt als Kultregisseur. An seinem filmischen Werk arbeiten sich Menschen
